## AllianceBernstein Pre-Qualified as Legacy Securities Public-Private Investment Program

July 8, 2009

Fund Manager by US Department of the Treasury

NEW YORK, July 8 /PRNewswire/ -- AllianceBernstein Holding L.P. (NYSE: AB) and AllianceBernstein L.P. today announced that AllianceBernstein has been selected by the US Department of the Treasury (Treasury) to be one of nine pre-qualified fund managers under the Treasury's Legacy Securities Public-Private Investment Program (PPIP). AllianceBernstein, along with the other eight chosen fund managers, was pre-qualified after an extensive evaluation of submissions from over 100 unique applicants.

"We feel fortunate to be among those pre-qualified, and we look forward to working with private investors and the Treasury Department on this important initiative," said Peter S. Kraus, chairman and chief executive officer of AllianceBernstein.

Under the program, AllianceBernstein will partner with the Treasury -- which will be a co-investor and will provide leverage for PPIP funds -- to create a Public-Private Investment Fund (PPIF) that will invest in distressed "legacy" non-agency residential mortgage-backed securities (RMBSs) and commercial mortgage-backed securities (CMBSs) currently on the balance sheets of many financial institutions.

Jeffrey S. Phlegar, chief investment officer and head of AllianceBernstein's Special Situations Team and a 22-year veteran of AllianceBernstein and mortgage markets, will lead the effort.

To most effectively meet the opportunity, and provide specialized skills needed for investing in this asset class, AllianceBernstein has entered into a strategic relationship with Greenfield Partners, LLC, Rialto Capital Management, LLC and Altura Capital Group, LLC. Greenfield and Rialto, both specialist real estate investment firms, will provide extensive expertise in the analysis, due diligence and valuation of distressed real estate assets. Altura Capital's expertise, market intelligence and innovative approach to the emerging and diverse money manager segment will complement the team's investment capabilities and provide access to a network of emerging real estate firms and broker-dealers to augment the fund's sourcing capabilities for potential investments.
