ALLIANCE CAPITAL  
ANNOUNCES YEAR-END ASSETS UNDER MANAGEMENT

NEW YORK, NY, JANUARY 9, 2001 - Alliance Capital Management Holding L.P. ("Alliance Holding") (NYSE: "AC") and Alliance Capital Management L.P. ("Alliance Capital") today reported that Alliance Capital had assets under management of approximately \$454 billion at December 31, 2000, compared with assets under management of approximately \$474 billion at October 2, 2000.\*

Alliance Capital earns a majority of its revenues from fees charged on client assets under management; therefore, changes in the value of assets under management can impact Alliance Capital's profits, either positively or negatively.

"Generally, our growth portfolios, which account for a significant portion of assets under management, outperformed their growth benchmarks," said Mr. Bruce W. Calvert, Chief Executive Officer. "However, during the fourth quarter growth stocks underperformed the broader market, as demonstrated by a 21.3% decline in the Russell 1000 Growth Index compared to a 7.8% decline in the S&P 500 Index. Alliance Capital's value oriented portfolios also outperformed their benchmarks, quite significantly in the case of our Strategic Value portfolio. The value segment of the market did better overall in the fourth quarter, with the Russell 1000 Value Index rising 3.6%, in contrast to the decline in the S&P 500 Index."

Mr. Calvert added, "Overall, Alliance Capital experienced positive net new asset flows in the fourth quarter. Retail mutual funds and wrap account net flows were positive each month, although at lower levels than in each of the first three quarters of the year. For the quarter, we also recorded positive net inflows in our institutional money

management business."

\* Includes assets previously managed by Sanford C. Bernstein whose business was acquired by Alliance Capital on October 2, 2000.

Mr. Calvert continued, "Despite market-driven declines in assets under management, we remain optimistic about our business prospects and we will continue to selectively invest for the long-term growth of our business."
