Organization

As of March 31, 2022, EQH owned approximately 4.0% of the issued and outstanding units representing assignments of beneficial ownership of limited partnership interests in AllianceBernstein Holding L.P. ("AB Holding Units"). AllianceBernstein Corporation (an indirect wholly-owned subsidiary of EQH, "General Partner") is the general partner of both AllianceBernstein Holding L.P. ("AB Holding") and AB. AllianceBernstein Corporation owns 100,000 general partnership units in AB Holding and a 1.0% general partnership interest in AB.

As of March 31, 2022, the ownership structure of AB, including limited partnership units outstanding as well as the general partner's 1.0% interest, was as follows:

EQH and its subsidiaries	63.0 %
AB Holding	36.3
Unaffiliated holders	0.7
	<u>100.0 %</u>

Including both the general partnership and limited partnership interests in AB Holding and AB, EQH and its subsidiaries had an approximate 64.5% economic interest in AB as of March 31, 2022.

Basis of Presentation

The interim condensed consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q pursuant to the rules and regulations of the U.S. Securities and Exchange Commission ("SEC"). In the opinion of management, all adjustments, consisting only of normal recurring adjustments, necessary for a fair statement of the interim results, have been made. The preparation of the condensed consolidated financial statements requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the condensed consolidated financial statements and the reported amounts of revenues and expenses during the interim reporting periods. Actual results could differ from those estimates. The condensed consolidated statement of financial condition as of December 31, 2021 was derived from audited financial statements. Certain disclosures included in the annual financial statements have been condensed or omitted from these financial statements as they are not required for interim financial statements under principles generally accepted in the United States of America ("GAAP") and the rules of the SEC.

Principles of Consolidation

The condensed consolidated financial statements include AB and its majority-owned and/or controlled subsidiaries, and the consolidated entities that are considered to be variable interest entities ("VIEs") and/or voting interest entities ("VOEs") in which AB has a controlling financial interest. Non-controlling interests on the condensed consolidated statements of financial condition include the portion of consolidated company-sponsored investment funds in which we do not have direct equity ownership. All significant inter-company transactions and balances among the consolidated entities have been eliminated.

Reclassifications

Certain prior period amounts have been reclassified to conform to the current period's presentation. Amounts previously presented on the Statement of Cash Flows as (increase) decrease in right-of-use assets and increase (decrease) in lease liabilities during 2021 are now presented net as "Cash payments to relieve operating lease liabilities". Non-cash lease expense under adjustments to reconcile net income to net cash provided by operating activities formerly classified as "Depreciation and other amortization" during 2021 are now classified separately on the Statement of Cash Flows as "Non-cash lease expense". Amounts previously classified under Financing "Other" related to non-cash accretion expense associated with our contingent payment arrangements during 2021 have been reclassified to non-cash "Other, net" under adjustments to reconcile net income to net cash provided by operating activities.

Subsequent Events

We have evaluated subsequent events through the date that these financial statements were filed with the SEC and did not identify any subsequent events that would require disclosure in these financial statements.

2. Significant Accounting Policies

During the first quarter of 2022, there have been no recently adopted accounting pronouncements or pronouncements not yet adopted.

3. Revenue Recognition

Revenues for the three months ended March 31, 2022 and 2021 consisted of the following:

	Three Months Ended March 31,

	<u>(30,166)</u>	<u>9,801</u>
Total net revenues	<u>\$ 1,105,687</u>	<u>\$ 1,007,266</u>

4. Long-term Incentive Compensation Plans

We maintain several unfunded, non-qualified long-term incentive compensation plans, under which we grant annual awards to employees, generally in the fourth quarter, and to members of the Board of Directors of the General Partner, who are not employed by our company or by any of our affiliates (“Eligible Directors”).

We fund our restricted AB Holding Unit awards either by purchasing AB Holding Units on the open market or purchasing newly-issued AB Holding Units from AB Holding, and then keeping these AB Holding Units in a consolidated rabbi trust until delivering them or retiring them. In accordance with the Amended and Restated Agreement of Limited Partnership of AB (“AB Partnership Agreement”), when AB purchases newly-issued AB Holding Units from AB Holding, AB Holding is required to use the proceeds it receives from AB to purchase the equivalent number of newly-issued AB Units, thus increasing its percentage ownership interest in AB. AB Holding Units held in the consolidated rabbi trust are corporate assets in the name of the trust and are available to the general creditors of AB.

Repurchases and retention of AB Holding Units for the three months ended March 31, 2022 and 2021 consisted of the following:

	Three Months Ended March 31,	
	2022	2021
	(in millions)	
Total amount of AB Holding Units Purchased/Retained ⁽¹⁾	0.3	1.0
Total Cash Paid for AB Holding Units Purchased/Retained ⁽¹⁾	\$ 14.0	\$ 37.4
Open Market Purchases of AB Holding Units Purchased ⁽¹⁾	—	0.6
Total Cash Paid for Open Market Purchases of AB Holding Units ⁽¹⁾	\$ —	\$ 24.2

(1) Purchased on a trade date basis. The difference between open-market purchases and units retained reflects the retention of AB Holding Units from employees to fulfill statutory tax withholding requirements at the time of delivery of long-term incentive compensation awards.

Purchases of AB Holding Units reflected on the condensed consolidated statements of cash flows are net of AB Holding Unit purchases by employees as part of a distribution reinvestment election.

Each quarter, we consider whether to implement a plan to repurchase AB Holding Units pursuant to Rules 10b5-1 and 10b-18 under the Securities Exchange Act of 1934, as amended ("Exchange Act"). A plan of this type allows a company to repurchase its shares at times when it otherwise might be prevented from doing so because of self-imposed trading blackout periods or because it possesses material non-public information. Each broker we select has the authority under the terms and limitations specified in the plan to repurchase AB Holding Units on our behalf. Repurchases are subject to regulations promulgated by the SEC as well as certain price, market volume and timing constraints specified in the plan. We did not adopt a plan during the first quarter of 2022. We may adopt additional plans in the future to engage in open-market purchases of AB Holding Units to help fund anticipated obligations under our incentive compensation award program and for other corporate purposes.

During the first three months of 2022 and 2021, we awarded to employees and Eligible Directors 0.7 million and 3.4 million restricted AB Holding Unit awards, respectively. We use any AB Holding Units repurchased during the applicable period and newly-issued AB Holding Units to fund these awards.

During the first three months of 2022 and 2021, AB Holding had no issuances and 0.1 million issuances of AB Holding Units, respectively, upon exercise of options to buy AB Holding Units. AB Holding used the proceeds of zero and \$1.9 million, respectively, received from award recipients as payment in cash for the exercise price to purchase the equivalent number of newly-issued AB Units.

5. Net Income per Unit

Basic net income per unit is derived by reducing net income for the 1% general partnership interest and dividing the remaining 99% by the basic weighted average number of limited partnership units outstanding for each period. Diluted net income per unit is derived by reducing net income for the 1% general partnership interest and dividing the remaining 99% by the total of the diluted weighted average number of limited partnership units outstanding for each period.

	Three Months Ended March 31,	
	2022	2021

Basic net income per AB Unit	\$ 0.95	\$ 0.89
Diluted net income per AB Unit	\$ 0.95	\$ 0.89

There were no anti-dilutive options excluded from diluted net income in the three months ended March 31, 2022 or 2021, respectively.

6. Cash Distributions

AB is required to distribute all of its Available Cash Flow, as defined in the AB Partnership Agreement, to its Unitholders and to the General Partner. Available Cash Flow can be summarized as the cash flow received by AB from operations minus such amounts as the General Partner determines, in its sole discretion, should be retained by AB for use in its business, or plus such amounts as the General Partner determines, in its sole discretion, should be released from previously retained cash flow.

Typically, Available Cash Flow has been the adjusted diluted net income per unit for the quarter multiplied by the number of general and limited partnership interests at the end of the quarter. In future periods, management anticipates that Available Cash Flow will be based on adjusted diluted net income per unit, unless management determines, with the concurrence of the Board of Directors, that one or more adjustments that are made for adjusted net income should not be made with respect to the Available Cash Flow calculation.

On April 29, 2022, the General Partner declared a distribution of \$0.99 per AB Unit, representing a distribution of Available Cash Flow for the three months ended March 31, 2022. The General Partner, as a result of its 1% general partnership interest, is entitled to receive 1% of each distribution. The distribution is payable on May 26, 2022 to holders of record on May 9, 2022.

7. Cash and Securities Segregated Under Federal Regulations and Other Requirements

As of March 31, 2022 and December 31, 2021, \$1.7 billion and \$1.5 billion, respectively, of U.S. Treasury Bills were segregated in a special reserve bank custody account for the exclusive benefit of our brokerage customers under Rule 15c3-3 of the Exchange Act.

8. Investments

Investments consist of:

	March 31, 2022	December 31, 2021
	(in thousands)	
Equity securities:		
Long-term incentive compensation-related	\$ 24,128	\$ 32,237
Seed capital	127,383	133,992
Other	2,232	18,243
Exchange-traded options	445	1,893
Investments in limited partnership hedge funds:		
Long-term incentive compensation-related	28,333	31,602
Seed capital	26,392	19,318
Time deposits	21,942	21,024
Other	12,628	15,109
Total investments	\$ 243,483	\$ 273,418

Total investments related to long-term incentive compensation obligations of \$52.5 million and \$63.8 million as of March 31, 2022 and December 31, 2021, respectively, consist of company-sponsored mutual funds and hedge funds. For long-term incentive compensation awards granted before 2009, we typically made investments in company-sponsored mutual funds and hedge funds that were notionally elected by plan participants and maintained them (and continue to maintain them) in a consolidated rabbi trust or separate custodial account. The rabbi trust and custodial account enable us to hold such investments separate from our other assets for the purpose of settling our obligations to participants. The investments held in the rabbi trust and custodial account remain available to the general creditors of AB.

The underlying investments of hedge funds in which we invest include long and short positions in equity securities, fixed income securities (including various agency and non-agency asset-based securities), currencies, commodities and derivatives (including various swaps and forward contracts). These investments are valued at quoted market prices or, where quoted market prices are not available, are fair valued based on the pricing policies and procedures of the underlying funds.

We allocate seed capital to our investment teams to help develop new products and services for our clients. A portion of our seed capital trading investments are equity and fixed income products, primarily in the form of separately-managed account portfolios, U.S. mutual funds, Luxembourg funds, Japanese investment trust management funds or Delaware business trusts. We also may allocate seed capital to investments in private equity funds. Regarding our seed capital investments, the amounts above reflect those funds in which we are not the primary beneficiary of a VIE or hold a controlling financial interest in a VOE. See Note 14, *Consolidated Company-Sponsored Investment Funds*, for a description of the seed capital investments that we consolidate. As of March 31, 2022 and December 31, 2021, our total seed capital investments were \$320.5 million and \$379.0 million, respectively. Seed capital investments in unconsolidated company-sponsored investment funds are valued using published net asset values or non-published net asset values if they are not listed on an active exchange but have net asset values that are comparable to funds with published net asset values and have no redemption restrictions.

In addition, we also have long positions in corporate equities and long exchange-traded options traded through our options desk.

The portion of unrealized gains (losses) related to equity securities, as defined by ASC 321-10, held as of March 31, 2022 and 2021 were as follows:

	Three Months Ended March 31,	
	2022	2021
	(in thousands)	
Net (losses) gains recognized during the period	\$ (16,550)	\$ 4,887

Unrealized (losses) gains recognized during the period on equity securities held	\$ (21,089)	\$ 322

9. Derivative Instruments

See Note 14, *Consolidated Company-Sponsored Investment Funds*, for disclosure of derivative instruments held by our consolidated company-sponsored investment funds.

We enter various futures, forwards, options and swaps to economically hedge certain seed capital investments. Also, we have currency forwards that help us to economically hedge certain balance sheet exposures. In addition, our options desk trades long and short exchange-traded equity options. We do not hold any derivatives designated in a formal hedge relationship under ASC 815-10, *Derivatives and Hedging*.

The notional value and fair value as of March 31, 2022 and December 31, 2021 for derivative instruments (excluding derivative instruments relating to our options desk trading activities *discussed below*) not designated as hedging instruments were as follows:

	Notional Value	Fair Value

As of March 31, 2022 and December 31, 2021, the derivative assets and liabilities are included in both receivables and payables to brokers and dealers on our condensed consolidated statements of financial condition.

The gains and losses for derivative instruments (excluding our options desk trading activities *discussed below*) for the three months ended March 31, 2022 and 2021 recognized in investment gains (losses) in the condensed consolidated statements of income were as follows:

	Three Months Ended March 31,	
	2022	2021
(in thousands)		
Exchange-traded futures	\$ 7,513	\$ 1,135
Currency forwards	544	1,181

Credit default swaps	1,717	(522)
Total return swaps	7,406	(907)
Option swaps	2,625	1,361
Net gains on derivative instruments	\$ 19,732	\$ 2,336

We may be exposed to credit-related losses in the event of non-performance by counterparties to derivative financial instruments. We minimize our counterparty exposure through a credit review and approval process. In addition, we have executed various collateral arrangements with counterparties to the over-the-counter derivative transactions that require both pledging and accepting collateral in the form of cash. As of March 31, 2022 and December 31, 2021, we held \$7.8 million and \$2.9 million, respectively, of cash collateral payable to trade counterparties. This obligation to return cash is reported in payables to brokers and dealers in our condensed consolidated statements of financial condition.

Although notional amount typically is utilized as the measure of volume in the derivatives market, it is not used as a measure of credit risk. Generally, the current credit exposure of our derivative contracts is limited to the net positive estimated fair value of derivative contracts at the reporting date after taking into consideration the existence of netting agreements and any collateral received. A derivative with positive value (a derivative asset) indicates existence of credit

risk because the counterparty would owe us if the contract were closed. Alternatively, a derivative contract with negative value (a derivative liability) indicates we would owe money to the counterparty if the contract were closed. Generally, if there is more than one derivative transaction with a single counterparty, a master netting arrangement exists with respect to derivative transactions with that counterparty to provide for aggregate net settlement.

Certain of our standardized contracts for over-the-counter derivative transactions (“ISDA Master Agreements”) contain credit risk related contingent provisions pertaining to each counterparty’s credit rating. In some ISDA Master Agreements, if the counterparty’s credit rating, or in some agreements, our assets under management (“AUM”), falls below a specified threshold, either a default or a termination event permitting us or the counterparty to terminate the ISDA Master Agreement would be triggered. In all agreements that provide for collateralization, various levels of collateralization of net liability positions are applicable, depending on the credit rating of the counterparty. As of March 31, 2022 and December 31, 2021, we delivered \$6.5 million and \$5.6 million, respectively, of cash collateral into brokerage accounts. We report this cash collateral in cash and cash equivalents in our condensed consolidated statements of financial condition.

As of March 31, 2022 and December 31, 2021, we held \$0.4 million and \$1.9 million, respectively, of long exchange-traded equity options, which are included in other investments on our condensed consolidated statements of financial condition. In addition, as of March 31, 2022 and December 31, 2021, we held \$0.2 million and \$2.8 million, respectively, of short exchange-traded equity options, which are included in securities sold not yet purchased on our condensed consolidated statements of financial condition. Our options desk provides our clients with equity derivative strategies and execution for exchange-traded options on single stocks, exchange-traded funds and indices. While predominately agency-based, the options desk may commit capital to facilitate a client’s transaction. Our options desk hedges the risks associated with this activity by taking offsetting positions in equities. For the three months ended March 31, 2022 and 2021, we recognized losses of \$2.0 million and gains of \$4.8 million, respectively, on equity options activity. These gains and losses are recognized in investment gains (losses) in the condensed consolidated statements of income.

Cash collateral, whether pledged or received on derivative instruments, is not considered material and, accordingly, is not disclosed by counterparty.

11. Fair Value

See Note 14, *Consolidated Company-Sponsored Investment Funds*, for disclosure of fair value of our consolidated company-sponsored investment funds.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (*i.e.*, the “exit price”) in an orderly transaction between market participants at the measurement date. The three broad levels of fair value hierarchy are as follows:

- Level 1 – Quoted prices in active markets are available for identical assets or liabilities as of the reported date.
- Level 2 – Quoted prices in markets that are not active or other pricing inputs that are either directly or indirectly observable as of the reported date.
- Level 3 – Prices or valuation techniques that are both significant to the fair value measurement and unobservable as of the reported date. These financial instruments do not have two-way markets and are measured using management’s best estimate of fair value, where the inputs into the determination of fair value require significant management judgment or estimation.

Assets and Liabilities Measured at Fair Value on a Recurring Basis

Valuation of our financial instruments by pricing observability levels as of March 31, 2022 and December 31, 2021 was as follows (in thousands):

⁽¹⁾ Investments measured at fair value using NAV (or its equivalent) as a practical expedient.

⁽²⁾ Investments in equity method investees that are not measured at fair value in accordance with GAAP.

⁽³⁾ Investments carried at amortized cost that are not measured at fair value in accordance with GAAP.

Other investments included in Level 1 of the fair value hierarchy include our investment in a mutual fund measured at fair value (\$7.9 million and \$9.1 million as of March 31, 2022 and December 31, 2021, respectively). Other investments not measured at fair value include (i) investments in start-up companies that do not have a readily available fair value (these investments were \$0.3 million as of March 31, 2022 and December 31, 2021), (ii) investments in equity method investees that are not measured at fair value in accordance with GAAP (\$1.6 million and \$2.9 million as of March 31, 2022 and December 31, 2021, respectively), and (iii) broker dealer exchange memberships that are not measured at fair value in accordance with GAAP (\$2.8 million as of March 31, 2022 and December 31, 2021).

We provide below a description of the fair value methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy:

- **Money markets:** We invest excess cash in various money market funds that are valued based on quoted prices in active markets; these are included in Level 1 of the valuation hierarchy.
- **Treasury Bills:** We hold U.S. Treasury Bills, which are primarily segregated in a special reserve bank custody account as required by Rule 15c3-3 of the Exchange Act. These securities are valued based on quoted yields in secondary markets and are included in Level 2 of the valuation hierarchy.
- **Equity securities:** Our equity securities consist principally of company-sponsored mutual funds with NAVs and various separately-managed portfolios consisting primarily of equity and fixed income mutual funds with quoted prices in active markets, which are included in Level 1 of the valuation hierarchy. In addition, some securities are valued based on observable inputs from recognized pricing vendors, which are included in Level 2 of the valuation hierarchy.
- **Derivatives:** We hold exchange-traded futures with counterparties that are included in Level 1 of the valuation hierarchy. In addition, we also hold currency forward contracts, interest rate swaps, credit default swaps, option swaps

and total return swaps with counterparties that are valued based on observable inputs from recognized pricing vendors, which are included in Level 2 of the valuation hierarchy.

- **Options:** We hold long exchange-traded options that are included in Level 1 of the valuation hierarchy.
- **Securities sold not yet purchased:** Securities sold not yet purchased, primarily reflecting short positions in equities and exchange-traded options, are included in Level 1 of the valuation hierarchy.
- **Contingent payment arrangements:** Contingent payment arrangements relate to contingent payment liabilities associated with various acquisitions. At each reporting date, we estimate the fair values of the contingent consideration expected to be paid based upon probability-weighted AUM and revenue projections, using unobservable market data inputs, which are included in Level 3 of the valuation hierarchy.

During the three months ended March 31, 2022 there were no transfers between Level 2 and Level 3 securities.

The change in carrying value associated with Level 3 financial instruments carried at fair value, classified as equity securities, is as follows:

	Three Months Ended March 31,	
	2022	2021
	(in thousands)	
Balance as of beginning of period	\$ 126	\$ 125
Purchases	—	—
Sales	—	—

Unrealized (losses), net	(7)	(1)
Balance as of end of period	\$ 119	\$ 124

Realized and unrealized gains and losses on Level 3 financial instruments are recorded in investment gains and losses in the condensed consolidated statements of income.

As part of acquisitions made by the Company, we may enter into contingent consideration arrangements as part of the purchase price. The change in carrying value associated with Level 3 financial instruments carried at fair value, classified as contingent payment arrangements, is as follows:

	Three Months Ended March 31,	
	2022	2021
	(in thousands)	
Balance as of beginning of period	\$ 38,260	\$ 27,750
Addition	—	7,526
Accretion	838	797
Payments	—	—
Balance as of end of period	\$ 39,098	\$ 36,073

The liabilities were valued using expected revenue growth rates and discount rates. As of March 31, 2022, the expected revenue growth rates range from 2.0% to 83.9%, with a weighted average of 7.9%, calculated using cumulative revenues and range of revenue growth rates (excluding revenue growth from additional AUM contributed in year of acquisition). The discount rates ranged from 1.9% to 10.4%, with a weighted average of 7.0%, calculated using total contingent liabilities and range of discount rates. As of March 31, 2021 the expected revenue growth rates ranged from 2.0% to 135.6%, with a weighted average of 9.0%, calculated using cumulative revenues and a range of revenue growth rates (excluding revenue growth from additional AUM contributed from existing clients). The discount rates ranged from 1.9% to 20.0%, with a weighted average of 10.8%, calculated using total contingent liabilities and range of discount rates.

Assets and Liabilities Measured at Fair Value on a Nonrecurring Basis

We did not have any material assets or liabilities that were measured at fair value for impairment on a nonrecurring basis during the three months ended March 31, 2022 or during the year ended December 31, 2021.

12. Commitments and Contingencies**Legal Proceedings**

With respect to all significant litigation matters, we consider the likelihood of a negative outcome. If we determine the likelihood of a negative outcome is probable and the amount of the loss can be reasonably estimated, we record an estimated loss for the expected outcome of the litigation. If the likelihood of a negative outcome is reasonably possible and we can determine an estimate of the possible loss or range of loss in excess of amounts already accrued, if any, we disclose that fact together with the estimate of the possible loss or range of loss. However, it is often difficult to predict the outcome or estimate a possible loss or range of loss because litigation is subject to inherent uncertainties, particularly when plaintiffs allege substantial or indeterminate damages. Such is also the case when the litigation is in its early stages or when the litigation is highly complex or broad in scope. In these cases, we disclose that we are unable to predict the outcome or estimate a possible loss or range of loss.

AB may be involved in various matters, including regulatory inquiries, administrative proceedings and litigation, some of which may allege significant damages. It is reasonably possible that we could incur losses pertaining to these matters, but we cannot currently estimate any such losses.

Management, after consultation with legal counsel, currently believes that the outcome of any individual matter that is pending or threatened, or all of them combined, will not have a material adverse effect on our results of operations, financial condition or liquidity. However, any inquiry, proceeding or litigation has an element of uncertainty; management cannot determine whether further developments relating to any individual matter that is pending or threatened, or all of them combined, will have a material adverse effect on our results of operation, financial condition or liquidity in any future reporting period.

13. Leases

We lease office space, furniture and office equipment under various operating and financing leases. Our current leases have remaining lease terms of one year to 15 years, some of which include options to extend the leases for up to five years, and some of which include options to terminate the leases within one year. Since 2010, we have sub-leased over one million square feet of office space.

Leases included in the condensed consolidated statement of financial condition as of March 31, 2022 and December 31, 2021 were as follows:

The sub-lease income represents all revenues received from sub-tenants. It is primarily fixed base rental payments combined with variable reimbursements such as operating expenses, real estate taxes and employee parking. We derive most of our sub-tenant income from our New York metro sub-tenant agreements. Sub-tenant income related to base rent is recorded on a straight-line basis.

14. Consolidated Company-Sponsored Investment Funds

We regularly provide seed capital to new company-sponsored investment funds. As such, we may consolidate or de-consolidate a variety of company-sponsored investment funds each quarter. Due to the similarity of risks related to our involvement with each company-sponsored investment fund, disclosures required under the VIE model are aggregated, such as disclosures regarding the carrying amount and classification of assets.

We are not required to provide financial support to company-sponsored investment funds, and only the assets of such funds are available to settle each fund's own liabilities. Our exposure to loss regarding consolidated company-sponsored investment funds is limited to our investment in, and our management fee earned from, such funds. Equity and debt holders of such funds have no recourse to AB's assets or to the general credit of AB.

The balances of consolidated VIEs included in our condensed consolidated statements of financial condition were as follows:

During the first quarter of 2022, we deconsolidated three funds in which we had a seed investment of approximately \$55.1 million due to no longer having a controlling financial interest.

Fair Value

Cash and cash equivalents include cash on hand, demand deposits, overnight commercial paper and highly liquid investments with original maturities of three months or less. Due to the short-term nature of these instruments, the recorded value has been determined to approximate fair value.

Valuation of consolidated company-sponsored investment funds' financial instruments by pricing observability levels as of March 31, 2022 and December 31, 2021 was as follows (in thousands):

As of December 31, 2021, the net assets of company-sponsored investment products that were non-consolidated VIEs was approximately \$68.9 billion; our maximum risk of loss was our investment of \$8.8 million in these VIEs and our advisory fees receivable from these VIEs was \$75.7 million.

15. Units Outstanding

Changes in AB Units outstanding during the three-month period ended March 31, 2022 were as follows:

Outstanding as of December 31, 2021	271,453,043
Units issued	582,992
Units retired	(260,245)

16. Debt

AB has an \$800.0 million committed, unsecured senior revolving credit facility (the "Credit Facility") with a group of commercial banks and other lenders, which matures on October 13, 2026. The Credit Facility provides for possible increases in the principal amount by up to an aggregate incremental amount of \$200.0 million; any such increase is subject to the consent of the affected lenders. The Credit Facility is available for AB and Sanford C. Bernstein & Co., LLC ("SCB LLC") business purposes, including the support of AB's commercial paper program. Both AB and SCB LLC can draw directly under the Credit Facility and management may draw on the Credit Facility from time to time. AB has agreed to guarantee the obligations of SCB LLC under the Credit Facility.

The Credit Facility contains affirmative, negative and financial covenants, which are customary for facilities of this type, including restrictions on dispositions of assets, restrictions on liens, a minimum interest coverage ratio and a maximum leverage ratio. As of March 31, 2022, we were in compliance with these covenants. The Credit Facility also includes customary events of default (with customary grace periods, as applicable), including provisions under which, upon the occurrence of an event of default, all outstanding loans may be accelerated and/or lender's commitments may be terminated. Also, under such provisions, upon the occurrence of certain insolvency- or bankruptcy-related events of default, all amounts payable under the Credit Facility would automatically become immediately due and payable, and the lender's commitments automatically would terminate.

Amounts under the Credit Facility may be borrowed, repaid and re-borrowed by us from time to time until the maturity of the facility. Voluntary prepayments and commitment reductions requested by us are permitted at any time without a fee (other than customary breakage costs relating to the prepayment of any drawn loans) upon proper notice and subject to a minimum dollar requirement. Borrowings under the Credit Facility bear interest at a rate per annum, which will be, at our option, a rate equal to an applicable margin, which is subject to adjustment based on the credit ratings of AB, plus one of the following indices: London Interbank Offered Rate; a floating base rate; or the Federal Funds rate.

As of March 31, 2022 and December 31, 2021, we had no amounts outstanding under the Credit Facility. Furthermore, during the first three months of 2022 and the full year 2021, we did not draw upon the Credit Facility.

AB also has a \$900.0 million committed, unsecured senior credit facility ("EQH Facility") with EQH. The EQH Facility matures on November 4, 2024 and is available for AB's general business purposes. Borrowings under the EQH Facility generally bear interest at a rate per annum based on prevailing overnight commercial paper rates.

The EQH Facility contains affirmative, negative and financial covenants which are substantially similar to those in AB's committed bank facilities. The EQH Facility also includes customary events of default substantially similar to those in AB's committed bank facilities, including provisions under which, upon the occurrence of an event of default, all outstanding loans may be accelerated and/or the lender's commitment may be terminated.

Amounts under the EQH Facility may be borrowed, repaid and re-borrowed by us from time to time until the maturity of the facility. AB or EQH may reduce or terminate the commitment at any time without penalty upon proper notice. EQH also may terminate the facility immediately upon a change of control of our general partner.

As of March 31, 2022 and December 31, 2021, AB had \$850.0 million and \$755.0 million outstanding under the EQH Facility, with interest rates of approximately 0.3% and 0.2%, respectively. Average daily borrowings on the EQH Facility for the first three months of 2022 and the full year 2021 were \$645.4 million and \$404.6 million, respectively, with a weighted average interest rate of approximately 0.2%.

In addition to the EQH Facility, AB has a \$300.0 million uncommitted, unsecured senior credit facility ("EQH Uncommitted Facility") with EQH. The EQH Uncommitted Facility matures on September 1, 2024 and is available for AB's general business purposes. Borrowings under the EQH Unsecured Facility generally bear interest at a rate per annum based on prevailing overnight commercial paper rates. The EQH Uncommitted Facility contains affirmative, negative and financial covenants which are substantially similar to those in the EQH Facility. As of March 31, 2022 and December 31, 2021, we had no amounts outstanding under the EQH Uncommitted Facility and have not drawn upon the facility since its inception.

As of March 31, 2022 and December 31, 2021, we had no commercial paper outstanding. The commercial paper is short term in nature, and as such, recorded value is estimated to approximate fair value (and considered a Level 2 security in the fair value hierarchy). Average daily borrowings of commercial paper during the first three months of 2022 and full year 2021 were \$257.0 million and \$157.0 million, respectively, with weighted average interest rates of approximately 0.2% and 0.2%, respectively.

AB had a \$200.0 million committed, unsecured senior revolving credit facility (the "Revolver") with a leading international bank, which matured on November 16, 2021. Average daily borrowings under the Revolver for the full year 2021 were \$13.3 million with a weighted average interest rate of approximately 1.1%.

In addition, SCB LLC currently has five uncommitted lines of credit with five financial institutions. Four of these lines of credit permit us to borrow up to an aggregate of approximately \$315.0 million, with AB named as an additional borrower, while the other line has no stated limit. AB has agreed to guarantee the obligations on SCB LLC under these lines of credit. As of March 31, 2022 and December 31, 2021, SCB LLC had no outstanding balance on these lines of credit. Average daily borrowings during the first three months of 2022 and full year 2021 were \$2.9 million and \$47 thousand with weighted average interest rates of approximately 0.8% and 0.9%, respectively.

17. Acquisition

On March 17, 2022, AB Holding and AB entered into a transaction agreement to acquire 100% of the equity interests of CarVal Investors, L.P. ("CarVal") in exchange for (i) AB Holding Units to be delivered in 2022 ("Upfront Payment"), and (ii) the issuance of additional AB Holding Units at future dates that are contingent upon achievement of performance hurdles by CarVal during the six-year period beginning January 1, 2022 and ending on December 31, 2027. The Upfront Payment will total approximately \$750,000,000 and consist of the AB Holding Units discussed above as well as cash to fund certain CarVal business expenses and other obligations. Immediately following the acquisition of CarVal by AB Holding, AB Holding will contribute all of the equity interests of CarVal to AB in exchange for AB Units. The transaction is expected to close in the third quarter of 2022. The transaction agreement has been filed as Exhibit 10.1 to this Form 10-Q.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Impact of COVID-19

AB continues to actively monitor COVID-19 developments and their impact on our employees, business and operations. The aggregate extent to which COVID-19, including existing and new variants and its impact on the global economy, affects AB's business, liquidity, results of operations and financial condition, will depend on future COVID-19 developments that are highly uncertain, including the scope and duration of the pandemic and any recovery period, the emergence, spread and seriousness of COVID-19 variants, the continuing prevalence of severe, unconstrained and/or escalating rates of infection and hospitalization in various countries and regions, the availability, adoption and efficacy of treatments and vaccines, and future actions taken by governmental authorities, central banks and other parties in response to COVID-19. Further, we have benefited from certain of our adjusted operating expenses declining significantly as a result of the COVID-19 pandemic, such as costs for travel and entertainment and client meetings, particularly during 2020. Although these costs increased in 2021, they have not yet returned to a normalized level. These cost savings have benefited our margins. If financial markets continue to normalize and economic activity increases, we do not anticipate continued cost savings related to COVID-19, and these savings are not indicative of our future performance. Additionally, as most of our workforce continues working in a hybrid model, which includes two remote days each week, we are mindful of increased risk related to cybersecurity, which could significantly disrupt our business functions.

Executive Overview

Our total assets under management ("AUM") as of March 31, 2022 were \$735.4 billion, down \$43.2 billion, or 5.5%, compared to December 31, 2021, and up \$38.2 billion, or 5.5%, compared to March 31, 2021. During the first quarter of 2022, AUM decreased as a result of market depreciation of \$54.6 billion, partially offset by net inflows of \$11.4 billion (Institutional net inflows of \$10.2 billion, Private Wealth net inflows of \$2.2 billion, offset by Retail net outflows of \$1.0 billion). We continue to expect approximately \$5 billion of additional redemptions by AXA of low-fee retail AUM commencing in the second quarter and continuing into the second half of 2022.

Institutional AUM decreased \$11.2 billion, or 3.3%, to \$325.9 billion during the first quarter of 2022, due to market depreciation of \$21.4 billion, partially offset by net inflows of \$10.2 billion. Gross sales increased sequentially from \$6.6 billion during the fourth quarter of 2021 to \$14.3 billion during the first quarter of 2022. Redemptions and terminations decreased sequentially from \$4.1 billion to \$2.1 billion.

Retail AUM decreased \$27.3 billion, or 8.5%, to \$292.6 billion during the first quarter of 2022, due to market depreciation of \$26.3 billion and net outflows of \$1.0 billion. Gross sales decreased sequentially from \$27.6 billion during the fourth quarter of 2021 to \$20.6 billion during the first quarter of 2022. Redemptions and terminations increased sequentially from \$17.1 billion to \$18.7 billion.

Private Wealth AUM decreased \$4.7 billion, or 3.9%, to \$116.9 billion during the first quarter of 2022, due to market depreciation of \$6.9 billion, partially offset by net inflows of \$2.2 billion. Gross sales increased sequentially from \$5.2 billion during the fourth quarter of 2021 to \$6.0 billion during the first quarter of 2022. Redemptions and terminations decreased sequentially from \$4.5 billion to \$3.8 billion.

Bernstein Research Services revenue for the first quarter of 2022 was \$117.8 million, down \$1.2 million, or 1.0%, compared to the first quarter of 2021. The slight decrease was driven by lower customer trading activity in Asia partially offset by higher market volatility and trading volumes in the U.S. and U.K.

Net revenues for the first quarter of 2022 increased \$98.4 million, or 9.8%, to \$1.1 billion from \$1.0 billion in the first quarter of 2021. The increase was primarily due to higher performance-based fees of \$60.2 million, higher investment advisory base fees of \$60.1 million and higher distribution revenues of \$20.7 million, partially offset by higher investment losses of \$41.0 million compared to investment gains in the prior-year period. Operating expenses for the first quarter of 2022 increased \$110.6 million, or 14.8%, to \$857.3 million from \$746.7 million in the first quarter of 2021. The increase was primarily due to higher general and administrative expenses of \$57.4 million, higher employee compensation and benefits expenses of \$33.4 million and higher promotion and servicing expense of \$20.0 million. Our operating income decreased \$12.2 million, or 4.7%, to \$248.4 million from \$260.6 million in the first quarter of 2021 and our operating margin decreased to 24.7% in the first quarter of 2022 from 25.9% in the first quarter of 2021.

Market Commentary

After markets were relatively calm in 2021 and generally on upward trajectories, volatility returned in the first quarter of 2022, as inflation surged to historical highs, the Federal Reserve raised interest rates, and indicated an intention to continue raising

rates in 2022, faster than previously anticipated, and Russia shocked the world by invading Ukraine, marking the first major military conflict in Europe in decades. As a result, U.S. equity markets, including the S&P 500, the Dow Jones Industrial Average and the Nasdaq, each finished the quarter in negative territory. Inflation continued to be a significant worry as it escalated globally to the highest on record in 41 years. Higher commodity prices and increased fuel costs, coupled with wage increases to alleviate labor shortages, applied further upward pressure on prices. In response, the Federal Reserve raised interest rates in March and indicated that further rate hikes are likely through the rest of 2022. Given market conditions, we expect our 2022 margins to be impacted as compared to prior year reflecting continued higher inflation, our growth-related investments, rebounding travel and entertainment expenses and lower performance fees.

The grave implications of Russia's attack on Ukraine rippled through the global markets, with commodity prices soaring, as Russia is a key producer of several commodities, particularly in the energy sector, and global trading and settlement systems were disrupted. Regarding trading, while AB was not immune from settlement difficulties during the quarter, the impact on AB was immaterial.

In the U.K., despite economic concerns, the FTSE 100 Index recorded gains in the first quarter, following the easing of COVID-19 restrictions. However, uncertainty remains given the impact of higher energy and commodity prices caused by the conflict in Ukraine. Also, with inflation remaining above the Bank of England's target, a gradual tightening of monetary policy through 2022 is likely. In China, a new outbreak of the Omicron variant and subsequent highly restrictive lockdowns in numerous cities caused Chinese markets to decline. Manufacturing plant shutdowns and shipping port delays due to dock access restrictions exacerbated global supply constraints in crucial sectors. More easing measures from the People's Bank of China are likely in 2022, including interest rate cuts and increased fiscal infrastructure spending.

Relationship with Equitable Holdings and its Subsidiaries

EQH (our parent company) and its subsidiaries are our largest client. EQH is collaborating with AB in order to improve the risk-adjusted yield for the General Accounts of EQH's insurance subsidiaries by investing additional assets at AB, including the utilization of AB's higher-fee, longer-duration alternative offerings. Equitable Financial Life Insurance Company, a subsidiary of EQH ("Equitable Financial"), has agreed to provide \$10 billion in permanent capital¹ over the next three years to build out AB's private illiquid offerings, including private alternatives and private placements. We expect this anticipated capital from Equitable Financial will accelerate both organic and inorganic growth in our private alternatives business, allowing us to continue to deliver for our clients, employees, unitholders and other stakeholders.

Units Outstanding

Each quarter, we consider whether to implement a plan to repurchase AB Holding Units pursuant to Rules 10b5-1 and 10b-18 under the Securities Exchange Act of 1934, as amended (“**Exchange Act**”). A plan of this type allows a company to repurchase its shares at times when it otherwise might be prevented from doing so because of self-imposed trading blackout periods or because it possesses material non-public information. Each broker we select has the authority to repurchase AB Holding Units on our behalf in accordance with the terms and limitations specified in the plan. Repurchases are subject to regulations promulgated by the SEC, as well as certain price, market volume and timing constraints specified in the plan. There was no plan adopted during the first quarter of 2022. We may adopt additional plans in the future to engage in open-market purchases of AB Holding Units to help fund anticipated obligations under our incentive compensation award program and for other corporate purposes.

Cash Distributions

We are required to distribute all of our Available Cash Flow, as defined in the AB Partnership Agreement, to our Unitholders and the General Partner. Available Cash Flow typically is the adjusted diluted net income per unit for the quarter multiplied by the number of general and limited partnership interests at the end of the quarter. In future periods, management anticipates that Available Cash Flow will continue to be based on adjusted diluted net income per unit, unless management determines, with concurrence of the Board of Directors, that one or more adjustments that are made for adjusted net income should not be made with respect to the Available Cash Flow calculation. See Note 6 to our consolidated financial statements contained in Item 1 for a description of Available Cash Flow.

Management Operating Metrics

We are providing the non-GAAP measures “adjusted net revenues,” “adjusted operating income” and “adjusted operating margin” because they are the principal operating metrics management uses in evaluating and comparing period-to-period operating performance. Management principally uses these metrics in evaluating performance because they present a clearer picture of our operating performance and allow management to see long-term trends without the distortion primarily caused by long-term incentive compensation-related mark-to-market adjustments, real estate charges and other adjustment items. Similarly, we believe that these management operating metrics help investors better understand the underlying trends in our results and, accordingly, provide a valuable perspective for investors.

These non-GAAP measures are provided in addition to, and not as substitutes for, net revenues, operating income and operating margin, and they may not be comparable to non-GAAP measures presented by other companies. Management uses both accounting principles generally accepted in the United States of America (“US GAAP”) and non-GAAP measures in evaluating our financial performance. The non-GAAP measures alone may pose limitations because they do not include all of our revenues and expenses.

Adjusted operating income for the three months ended March 31, 2022 increased \$25.0 million, or 9.6%, from the three months ended March 31, 2021, primarily due to higher investment advisory base fees of \$64.5 million and higher performance-based fees of \$29.2 million, partially offset by higher employee compensation and benefits expense (excluding the impact of long-term incentive compensation-related items) of \$37.9 million, higher general and administrative expenses of \$16.9 million, higher investment losses of \$8.4 million and higher promotion and servicing expenses of \$6.1 million.

Adjusted Net Revenues

Net Revenue, as adjusted, is reduced to exclude all of the company's distribution revenues, which are recorded as a separate line item on the consolidated statement of income, as well as a portion of investment advisory services fees received that is used to pay distribution and servicing costs. For certain products, based on the distinct arrangements, certain distribution fees are collected by us and passed through to third-party client intermediaries, while for certain other products, we collect investment advisory services fees and a portion is passed through to third-party client intermediaries. In both arrangements, the third-party client intermediary owns the relationship with the client and is responsible for performing services and distributing the product to the client on our behalf. We believe offsetting distribution revenues and certain investment advisory services fees is useful for our investors and other users of our financial statements because such presentation appropriately reflects the nature of these costs as pass-through payments to third parties that perform functions on behalf of our sponsored mutual funds and/or shareholders of these funds. Distribution-related adjustments fluctuate each period based on the type of investment products sold, as well as the average AUM over the period. Also, we adjust distribution revenues for the amortization of deferred sales commissions as these costs, over time, will offset such revenues.

We adjust investment advisory and services fees and other revenues for pass through costs, primarily related to our transfer agent and shareholder servicing fees. These fees do not affect operating income, but they do affect our operating margin. As such, we exclude these fees from adjusted net revenues.

We adjust for the revenue impact of consolidating company-sponsored investment funds by eliminating the consolidated company-sponsored investment funds' revenues and including AB's fees from such consolidated company-sponsored investment funds and AB's investment gains and losses on its investments in such consolidated company-sponsored investment funds that were eliminated in consolidation.

Also, adjusted net revenues exclude investment gains and losses and dividends and interest on employee long-term incentive compensation-related investments.

Adjusted Operating Income

Adjusted operating income represents operating income on a US GAAP basis excluding (1) real estate charges (credits), (2) the impact on net revenues and compensation expense of the investment gains and losses (as well as the dividends and interest) associated with employee long-term incentive compensation-related investments, (3) our senior management's EQH award compensation, as discussed below, (4) acquisition-related expenses and (5) the impact of consolidated company-sponsored investment funds.

Real estate charges (credits) incurred during the fourth quarter of 2019 through the fourth quarter of 2020, while excluded in the period in which the charges (credits) were recorded, are included ratably over the remaining applicable lease term.

Prior to 2009, a significant portion of employee compensation was in the form of long-term incentive compensation awards that were notionally invested in AB investment services and generally vested over a period of four years. AB economically hedged the exposure to market movements by purchasing and holding these investments on its balance sheet. All such investments had vested as of year-end 2012 and the investments have been delivered to the participants, except for those investments with respect to which the participant elected a long-term deferral. Fluctuation in the value of these investments, which also impacts compensation expense, is recorded within investment gains and losses on the income statement. Management believes it is useful to reflect the offset achieved from economically hedging the market exposure of these investments in the calculation of adjusted operating income and adjusted operating margin. The non-GAAP measures exclude gains and losses and dividends and interest on employee long-term incentive compensation-related investments included in revenues and compensation expense.

The board of directors of EQH granted to Seth P. Bernstein, our CEO, equity awards in connection with EQH's IPO. Additionally, equity awards have been granted to Mr. Bernstein and other members of AB's senior management for their membership on the EQH Management Committee. These individuals may receive additional equity or cash compensation from EQH in the future related to their service on the Management Committee. Any awards granted to these individuals by EQH are recorded as compensation expense in AB's consolidated statement of income. The compensation expense associated with these awards has been excluded from our non-GAAP measures because they are non-cash and are based upon EQH's, and not AB's, financial performance.

Acquisition-related expenses have been excluded because they are not considered part of our core operating results when comparing financial results from period to period and to industry peers. Acquisition-related expenses include professional fees and the recording of changes in estimates to contingent payment arrangements associated with our acquisitions. Beginning in the first quarter of 2022, acquisition-related expenses also include certain compensation-related expenses, amortization of intangible assets for contracts acquired and accretion expense with respect to contingent payment arrangements.

We adjusted for the operating income impact of consolidating certain company-sponsored investment funds by eliminating the consolidated company-sponsored funds' revenues and expenses and including AB's revenues and expenses that were eliminated in consolidation. We also excluded the limited partner interests we do not own.

Adjusted Net Income and Adjusted Diluted Net Income per AB Unit

As previously discussed, our quarterly distribution is typically our adjusted diluted net income per unit (which is derived from adjusted net income) for the quarter multiplied by the number of general and limited partnership interests at the end of the quarter. Adjusted income taxes, used in calculating adjusted net income, are calculated using the GAAP effective tax rate adjusted for non-GAAP income tax adjustments.

Adjusted Operating Margin

Adjusted operating margin allows us to monitor our financial performance and efficiency from period to period without the volatility *noted above in our discussion of adjusted operating income* and to compare our performance to industry peers on a basis that better reflects our performance in our core business. Adjusted operating margin is derived by dividing adjusted operating income by adjusted net revenues.

Investment Advisory and Services Fees

Investment advisory and services fees are the largest component of our revenues. These fees generally are calculated as a percentage of the value of AUM as of a specified date, or as a percentage of the value of average AUM for the applicable billing period, and vary with the type of investment service, the size of account and the total amount of assets we manage for a particular client. Accordingly, fee income generally increases or decreases as AUM increase or decrease and is affected by market appreciation or depreciation, the addition of new client accounts or client contributions of additional assets to existing accounts, withdrawals of assets from and termination of client accounts, purchases and redemptions of mutual fund shares, shifts of assets between accounts or products with different fee structures, and acquisitions. Our average basis points realized (investment advisory and services fees divided by average AUM) generally approximate 30 to 105 basis points for actively-managed equity services, 10 to 70 basis points for actively-managed fixed income services and 2 to 40 basis points for passively-managed services. Average basis points realized for other services could range from 4 basis points for certain Institutional third party managed services to over 100 basis points for certain Retail and Private Wealth alternative services. These ranges include all-inclusive fee arrangements (covering investment management, trade execution and other services) for our Private Wealth clients.

We calculate AUM using established market-based valuation methods and fair valuation (non-observable market) methods. Market-based valuation methods include: last sale/settle prices from an exchange for actively-traded listed equities, options and futures; evaluated bid prices from recognized pricing vendors for fixed income, asset-backed or mortgage-backed issues; mid

prices from recognized pricing vendors and brokers for credit default swaps; and quoted bids or spreads from pricing vendors and brokers for other derivative products. Fair valuation methods include: discounted cash flow models or any other methodology that is validated and approved by our Valuation Committee (see *paragraph immediately below* for more information regarding our Valuation Committee). Fair valuation methods are used only where AUM cannot be valued using market-based valuation methods, such as in the case of private equity or illiquid securities.

The Valuation Committee, which consists of senior officers and employees, is responsible for overseeing the pricing and valuation of all investments held in client and AB portfolios. The Valuation Committee has adopted a Statement of Pricing Policies describing principles and policies that apply to pricing and valuing investments held in these portfolios. We also have a Pricing Group, which reports to the Valuation Committee and is responsible for overseeing the pricing process for all investments.

We sometimes charge our clients performance-based fees. In these situations, we charge a base advisory fee and are eligible to earn an additional performance-based fee or incentive allocation that is calculated as either a percentage of absolute investment results or a percentage of investment results in excess of a stated benchmark over a specified period of time. Some performance-based fees include a high-watermark provision, which generally provides that if a client account underperforms relative to its performance target (whether absolute or relative to a specified benchmark), it must gain back such underperformance before we can collect future performance-based fees. Therefore, if we fail to achieve our performance target for a particular period, we will not earn a performance-based fee for that period and, for accounts with a high-watermark provision, our ability to earn future performance-based fees will be impaired. We are eligible to earn performance-based fees on 6.7%, 9.1% and 0.6% of the assets we manage for institutional clients, private wealth clients and retail clients, respectively (in total, 4.6% of our AUM).

For the three months ended March 31, 2022, our investment advisory and services fees increased by \$120.3 million, or 17.1%, from the three months ended March 31, 2021, due to a \$60.2 million increase in performance-based fees and a \$60.1 million, or 8.7%, increase in base fees. The increase in base fees is primarily due to a 9.1% increase in average AUM. Performance-based fees increased primarily due to higher performance fees earned on our U.S. Real Estate Funds and International Small Cap Fund.

Institutional investment advisory and services fees for the three months ended March 31, 2022 increased by \$46.0 million, or 34.4%, from the three months ended March 31, 2021, due to a \$37.4 million increase in performance-based fees and an \$8.6 million, or 6.7%, increase in base fees. The increase in base fees is primarily due to a 5.8% increase in average AUM.

Retail investment advisory and services fees for the three months ended March 31, 2022 increased by \$33.4 million, or 10.0%, from the three months ended March 31, 2021, due to a \$35.8 million, or 10.8%, increase in base fees, partially offset by a \$2.4 million decrease in performance-based fees. The increase in base fees is primarily due to a 12.5% increase in average AUM.

Private Wealth investment advisory and services fees for the three months ended March 31, 2022 increased by \$40.9 million, or 17.3%, from the three months ended March 31, 2021, due to a \$25.2 million increase in performance-based fees and a \$15.7 million, or 6.9%, increase in base fees. The increase in base fees is primarily due to a 10.2% increase in average AUM, partially offset by a lower portfolio fee rate.

Bernstein Research Services

We earn revenues for providing investment research to, and executing brokerage transactions for, institutional clients. These clients compensate us principally by directing us to execute brokerage transactions on their behalf, for which we earn commissions, and to a lesser extent, but increasingly, by paying us directly for research through commission sharing agreements or cash payments.

Revenues from Bernstein Research Services for the three months ended March 31, 2022 decreased \$1.2 million, or 1.0%, from the three months ended March 31, 2021. The slight decrease was due to lower customer trading activity in Asia partially offset by higher market volatility and trading volumes in the U.S. and U.K.

Distribution Revenues

Two of our subsidiaries act as distributors and/or placement agents of company-sponsored mutual funds and receive distribution services fees from certain of those funds as full or partial reimbursement of the distribution expenses they incur. Period-over-period fluctuations of distribution revenues typically are in line with fluctuations of the corresponding average AUM of these mutual funds.

Distribution revenues for the three months ended March 31, 2022 increased \$20.7 million, or 14.1%, from the three months ended March 31, 2021, primarily due to the corresponding average AUM of these mutual funds increasing 9.6%, as well as a shift in product mix from Asia fixed income to equities, which generally earn higher fees.

Dividend and Interest Income and Interest Expense

Dividend and interest income consists primarily of investment income and interest earned on customer margin balances and U.S. Treasury Bills as well as dividend and interest income in our consolidated company-sponsored investment funds. Interest expense principally reflects interest accrued on cash balances in customers' brokerage accounts.

Dividend and interest income for the three months ended March 31, 2022 increased \$2.8 million, or 32.1%, from the three months ended March 31, 2021, primarily due to higher dividend and interest income in our consolidated company-sponsored investment funds and higher interest earned on customer margin balances. Interest expense for the three months ended March 31, 2022 increased \$1.7 million, or 149.0%, from the three months ended March 31, 2021, due to higher interest paid on cash balances in customers' brokerage accounts.

Investment Gains (Losses)

Investment gains (losses) consist primarily of realized and unrealized investment gains or losses on: (i) employee long-term incentive compensation-related investments, (ii) U.S. Treasury Bills, (iii) market-making in exchange-traded options and equities, (iv) seed capital investments, (v) derivatives and (vi) investments in our consolidated company-sponsored investment funds. Investment gains (losses) also include equity in earnings of proprietary investments in limited partnership hedge funds that we sponsor and manage.

	<u>\$ (39,024)</u>	<u>\$ 1,928</u>

Other Revenues

Other revenues consist of fees earned for transfer agency services provided to company-sponsored mutual funds, fees earned for administration and recordkeeping services provided to company-sponsored mutual funds and the general accounts of EQH and its subsidiaries, and other miscellaneous revenues. Other revenues for the three months ended March 31, 2022 decreased \$1.6 million, or 5.6%, compared to the three months ended March 31, 2021, primarily due to lower brokerage income.

Expenses

The components of expenses are as follows:

Employee Compensation and Benefits

Employee compensation and benefits consist of base compensation (including salaries and severance), annual short-term incentive compensation awards (cash bonuses), annual long-term incentive compensation awards, commissions, fringe benefits and other employment costs (including recruitment, training, temporary help and meals).

Compensation expense as a percentage of net revenues was 39.7% and 40.3% for the three months ended March 31, 2022 and 2021, respectively. Compensation expense generally is determined on a discretionary basis and is primarily a function of our firm's current-year financial performance. The amounts of incentive compensation we award are designed to motivate, reward and retain top talent while aligning our executives' interests with the interests of our Unitholders. Senior management, with the approval of the Compensation and Workplace Practices Committee of the Board of Directors of AllianceBernstein Corporation ("**Compensation Committee**"), periodically confirms that the appropriate metric to consider in determining the amount of incentive compensation is the ratio of adjusted employee compensation and benefits expense to adjusted net revenues. Adjusted net revenues used in the adjusted compensation ratio are the same as the adjusted net revenues presented as a non-GAAP measure (*discussed earlier in this Item 2*). Adjusted employee compensation and benefits expense is total employee compensation and benefits expense minus other employment costs such as recruitment, training, temporary help and meals (which was 0.9% and 0.7% of adjusted net revenues for the three months ended March 31, 2022 and 2021, respectively), and excludes the impact of mark-to-market vesting expense, as well as dividends and interest expense, associated with employee long-term incentive compensation-related investments and the amortization expense associated with the awards issued by EQH to some of our firm's senior management relating to their roles as members of the EQH Management Committee. Senior management, with the approval of the Compensation Committee, has established as an objective that adjusted employee compensation and benefits expense generally should not exceed 50% of our adjusted net revenues, except in unexpected or unusual circumstances. Our ratio of adjusted compensation expense as a percentage of adjusted net revenues was 48.0% and 48.5% for the three months ended March 31, 2022 and 2021, respectively.

For the three months ended March 31, 2022, employee compensation and benefits expense increased \$33.4 million, or 8.2%, compared to the three months ended March 31, 2021, primarily due to higher incentive compensation of \$13.2 million, higher base compensation of \$9.6 million, higher commissions of \$6.4 million and higher fringes of \$2.3 million.

Promotion and Servicing

Promotion and servicing expenses include distribution-related payments to financial intermediaries for distribution of AB mutual funds and amortization of deferred sales commissions paid to financial intermediaries for the sale of back-end load shares of AB mutual funds. Also included in this expense category are costs related to trade execution and clearance, travel and entertainment, advertising and promotional materials.

Promotion and servicing expenses increased \$20.0 million, or 9.2%, during the three months ended March 31, 2022 compared to the three months ended March 31, 2021. The increase primarily was due to higher distribution-related payments of \$14.0 million, higher travel and entertainment expenses of \$3.4 million and higher marketing and communication expenses of \$2.1 million.

General and Administrative

General and administrative expenses include portfolio services expenses, technology expenses, professional fees and office-related expenses (occupancy, communications and similar expenses). General and administrative expenses as a percentage of net revenues were 16.1% and 11.9% for the three months ended March 31, 2022 and 2021, respectively. General and administrative expenses increased \$57.4 million, or 47.7%, during the three months ended March 31, 2022 compared to the corresponding period in 2021, primarily due to higher portfolio servicing fees of \$35.5 million, higher professional fees of \$9.8 million, higher technology fees of \$5.0 million and higher office-related expenses of \$3.9 million.

Contingent Payment Arrangements

Contingent payment arrangements reflect changes in estimates of contingent payment liabilities associated with acquisitions in previous periods, as well as accretion expense of these liabilities. There were no changes in our estimates during the first three months ended March 31, 2022 or 2021.

Interest on Borrowings

Interest on borrowings reflects interest expense related to our debt and credit facilities. See Note 16 to AB's condensed consolidated financial statements contained in Item 1, for disclosures relating to our debt and credit facilities. For the three months ended March 31, 2022 interest on borrowings increased \$0.1 million, or 9.0%, compared to the three months ended March 31, 2021.

Amortization of Intangible Assets

Amortization of intangible assets reflects our amortization of costs assigned to acquired investment management contracts with a finite life. These assets are recognized at fair value and generally are amortized on a straight-line basis over their estimated useful life. Amortization of intangible assets decreased \$0.3 million, or 23.2%, during the three months ended March 31, 2022 compared to the three months ended March 31, 2021.

Income Taxes

AB, a private limited partnership, is not subject to federal or state corporate income taxes. However, AB is subject to a 4.0% New York City unincorporated business tax ("UBT"). Our domestic corporate subsidiaries are subject to federal, state and local income taxes and generally are included in the filing of a consolidated federal income tax return. Separate state and local income tax returns also are filed. Foreign corporate subsidiaries generally are subject to taxes in the jurisdictions where they are located.

Income tax expense for the three months ended March 31, 2022 decreased \$4.0 million, or 24.0%, compared to the three months ended March 31, 2021. The decrease was primarily due to a lower effective tax rate for the three months ended March 31, 2022 of 5.1% compared to 6.4% for the corresponding period in 2021, driven by a decrease in one-time discrete items. There were no material changes to uncertain tax positions (FIN 48 reserves) or valuation allowances against deferred tax assets for the three months ended March 31, 2022.

Net Income (Loss) of Consolidated Entities Attributable to Non-Controlling Interests

Net income (loss) of consolidated entities attributable to non-controlling interests primarily consists of limited partner interests owned by other investors in our consolidated company-sponsored investment funds. For the three months ended March 31, 2022, we had \$25.0 million of net losses of consolidated entities attributable to non-controlling interests compared to net losses of \$0.3 million for the three months ended March 31, 2021. Fluctuations period-to-period result primarily from the number of consolidated company-sponsored investment funds and their respective market performance.

CAPITAL RESOURCES AND LIQUIDITY

Cash flows from operating activities primarily include the receipt of investment advisory and services fees and other revenues offset by the payment of operating expenses incurred in the normal course of business. Our cash flows from operating activities have historically been positive and sufficient in supporting our operations. We do not anticipate this to change in the foreseeable future. Cash flows from investing activities generally consist of small capital expenditures and, when applicable, business acquisitions. Cash flows from financing activities primarily consist of issuance and repayment of debt and the repurchase of AB Holding units to fund our long-term deferred compensation plans. We are required to distribute all of our Available Cash Flow to our Unitholders and the General Partner.

During the first three months of 2022, net cash provided by operating activities was \$150.2 million, compared to \$328.8 million during the corresponding 2021 period. The change reflects an increase in broker-dealer related receivables (net of payables and segregated U.S. treasury bills activity) of \$177.6 million, higher net purchases of broker-dealer investments of \$45.1 million and an increase in other assets of \$43.0 million, partially offset by higher earnings of \$45.2 million (after non-cash reconciling items) and the net activity of our consolidated funds of \$43.6 million.

During the first three months of 2022, net cash used in investing activities was \$6.2 million, compared to \$19.4 million during the corresponding 2021 period. The change is due to lower purchases of furniture, equipment and leasehold improvements of \$9.4 million and lower cash paid for acquisitions of \$3.8 million.

During the first three months of 2022, net cash used in financing activities was \$371.2 million, compared to \$382.7 million during the corresponding 2021 period. The change reflects higher net borrowings of debt of \$145.0 million, partially offset by higher distributions to the General Partner and Unitholders of \$88.1 million as a result of higher earnings (distributions on earnings are paid one quarter in arrears) and higher distributions to non-controlling interests of consolidated company-sponsored investment funds of \$44.6 million.

As of March 31, 2022, AB had \$1.1 billion of cash and cash equivalents (excluding cash and cash equivalents of consolidated company-sponsored investment funds), all of which is available for liquidity but consist primarily of cash on deposit for our broker-dealers related to various customer clearing activities, and cash held by foreign subsidiaries of \$687.1 million.

Debt and Credit Facilities

See Note 16 to AB's condensed consolidated financial statements contained in Item 1, for disclosures relating to our debt and credit facilities.

Our financial condition and access to public and private debt markets should provide adequate liquidity for our general business needs. Management believes that cash flow from operations and the issuance of debt and AB Units or AB Holding Units will provide us with the resources we need to meet our financial obligations. See "Cautions Regarding Forward-Looking Statements" for a discussion of credit markets and our ability to renew our credit facilities at expiration.

COMMITMENTS AND CONTINGENCIES

AB's capital commitments, which consist primarily of operating leases for office space, generally are funded from future operating cash flows.

We have signed a lease which commences in 2024, relating to approximately 166,000 square feet of space in New York City. Our estimated total base rent obligation (excluding taxes, operating expenses and utilities) over the 20-year lease term is approximately \$393.0 million.

During 2010, as general partner of AllianceBernstein U.S. Real Estate L.P. ("Real Estate Fund"), we committed to invest \$25.0 million in the Real Estate Fund. As of March 31, 2022, we had funded \$22.4 million of this commitment. During 2014, as general partner of AllianceBernstein U.S. Real Estate II L.P. ("Real Estate Fund II"), we committed to invest \$27.3 million, as amended in 2020, in Real Estate Fund II. As of March 31, 2022, we had funded \$21.3 million of this commitment.

See Note 12 for discussion of contingencies.

CRITICAL ACCOUNTING ESTIMATES

The preparation of the condensed consolidated financial statements and notes to condensed consolidated financial statements requires management to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses.

There have been no updates to our critical accounting estimates from those disclosed in “*Management’s Discussion and Analysis of Financial Condition*” in our Form 10-K for the year ended December 31, 2021.

ACCOUNTING PRONOUNCEMENTS

See Note 2 to AB’s condensed consolidated financial statements contained in Item 1.

CAUTIONS REGARDING FORWARD-LOOKING STATEMENTS

Certain statements provided by management in this report and in the portion of AB’s Form 10-Q attached hereto as *Exhibit 99.1* are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements are subject to risks, uncertainties and other factors that could cause actual results to differ materially from future results expressed or implied by such forward-looking statements. The most significant of these factors include, but are not limited to, the following: the performance of financial markets, the investment performance of sponsored investment products and separately-managed accounts, general economic conditions, industry trends, future acquisitions, integration of acquired companies, competitive conditions and government regulations, including changes in tax regulations and rates and the manner in which the earnings of publicly-traded partnerships are taxed. We caution readers to carefully consider such factors. Further, these forward-looking statements speak only as of the date on which such statements are made; we undertake no obligation to update any forward-looking statements to reflect events or circumstances after the date of such statements. For further information regarding these forward-looking statements and the factors that could cause actual results to differ, see “*Risk Factors*” in *Part I, Item 1A* of our Form 10-K for the year ended December 31, 2021 and *Part II, Item 1A* in this Form 10-Q. Any or all of the forward-looking statements that we make in our Form 10-K, this Form 10-Q, other documents we file with or furnish to the SEC, and any other public statements we issue, may turn out to be wrong. It is important to remember that other factors besides those listed in “*Risk Factors*” and those listed below could also adversely impact our revenues, financial condition, results of operations and business prospects.

The forward-looking statements referred to in *the preceding paragraph*, most of which directly affect AB but also affect AB Holding because AB Holding’s principal source of income and cash flow is attributable to its investment in AB, include statements regarding:

- Our belief that the cash flow AB Holding realizes from its investment in AB will provide AB Holding with the resources it needs to meet its financial obligations: AB Holding’s cash flow is dependent on the quarterly cash distributions it receives from AB. Accordingly, AB Holding’s ability to meet its financial obligations is dependent on AB’s cash flow from its operations, which is subject to the performance of the capital markets and other factors beyond our control.
- Our financial condition and ability to access the public and private capital markets providing adequate liquidity for our general business needs: Our financial condition is dependent on our cash flow from operations, which is subject to the performance of the capital markets, our ability to maintain and grow client assets under management and other factors beyond our control. Our ability to access public and private capital markets on reasonable terms may be limited by adverse market conditions, our firm’s credit ratings, our profitability and changes in government regulations, including tax rates and interest rates.
- The outcome of litigation: Litigation is inherently unpredictable, and excessive damage awards do occur. Though we have stated that we do not expect any pending legal proceedings to have a material adverse effect on our results of operations, financial condition or liquidity, any settlement or judgment with respect to a legal proceeding could be significant and could have such an effect.
- The possibility that we will engage in open market purchases of AB Holding Units to help fund anticipated obligations under our incentive compensation award program: The number of AB Holding Units AB may decide to buy in future periods, if any, to help fund incentive compensation awards depends on various factors, some of which are beyond our control, including the fluctuation in the price of an AB Holding Unit (NYSE: AB) and the availability of cash to make these purchases.

- Our determination that adjusted employee compensation expense should not exceed 50% of our adjusted net revenues: Aggregate employee compensation reflects employee performance and competitive compensation levels. Fluctuations in our revenues and/or changes in competitive compensation levels could result in adjusted employee compensation expense exceeding 50% of our adjusted net revenues.
- The Adverse Impact of COVID-19: The aggregate extent to which COVID-19, including existing and new variants and its impact on the global economy, affects AB's business, liquidity, results of operations and financial condition, will depend on future COVID-19 developments that are highly uncertain, including the scope and duration of the pandemic and any recovery period, the emergence, spread and seriousness of COVID-19 variants, the continuing prevalence of severe, unconstrained and/or escalating rates of infection and hospitalization in various countries and regions, the availability, adoption and efficacy of treatments and vaccines, and future actions taken by governmental authorities, central banks and other parties in response to COVID-19.
- The probability that our acquisition of CarVal Investors, LP will close as anticipated. These statements concern expected growth, client and stockholder benefits, key assumptions, timing of closing of the transaction, revenue realization, financial benefits or returns, accretion and integration costs. The most significant transaction-related and other risk factors that may cause actual results to differ materially from future results expressed or implied by our forward-looking statements include: (i) the occurrence of any event, change or other circumstances that could give rise to the termination of the acquisition agreement; (ii) the transaction closing conditions may not be satisfied in a timely manner or at all, including due to the failure to obtain regulatory and client approvals; (iii) the announcement and pendency of the acquisition may disrupt CarVal's business operations (including the threatened or actual loss of employees, clients or suppliers); (iv) CarVal could experience financial or other setbacks if the transaction encounters unanticipated problems; and (v) anticipated benefits of the transaction, including the realization of revenue, accretion, and financial benefits or returns, may not be fully realized or may take longer to realize than expected, including if AB Holding units to be issued after the closing trade at a price below anticipated levels. We caution readers to carefully consider such factors.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

There have been no material changes in AB's market risk from the information provided under "*Quantitative and Qualitative Disclosures About Market Risk*" in Part II, Item 7A of AB's Form 10-K for the year ended December 31, 2021.

Item 4. Controls and Procedures

Disclosure Controls and Procedures

Each of AB Holding and AB maintains a system of disclosure controls and procedures that is designed to ensure that information required to be disclosed in our reports under the Exchange Act is (i) recorded, processed, summarized and reported in a timely manner, and (ii) accumulated and communicated to management, including the Chief Executive Officer ("CEO") and the Interim Chief Financial Officer ("Interim CFO"), to permit timely decisions regarding our disclosure.

As of the end of the period covered by this report, management carried out an evaluation, under the supervision and with the participation of the CEO and the Interim CFO, of the effectiveness of the design and operation of the disclosure controls and procedures. Based on this evaluation, the CEO and the Interim CFO concluded that the disclosure controls and procedures are effective.

Changes in Internal Control over Financial Reporting

No change in our internal control over financial reporting occurred during the first quarter of 2022 that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Upon the terms and subject to the conditions set forth in this Agreement, and in reliance on the representations, warranties and covenants contained herein, at the Closing, AB LP agrees to make a capital contribution to the Company, consisting of immediately available and unencumbered funds, required to fully fund the Existing Debt Agreement Obligations (the “Existing Debt Obligations Contribution”). Immediately following the Employee PS1 Obligation Contribution, the Company shall pay eligible employees the amounts due to such employees under the Employee PS1s as a result of the consummation of the Transactions, in each case subject to the Profit Share Plan. The Employee PS1 Obligation Contribution shall not be used for any purpose other than as set forth in this Section 2.03(b) or to pay any Taxes due in respect of the foregoing payments.

(c) Upon the terms and subject to the conditions set forth in this Agreement, if the Residual Payment is greater than zero, then on the Residual Payment Funding Date, AB LP

hereby agrees to make a capital contribution to the Company, consisting of immediately available and unencumbered funds in an amount equal to the Residual Payment (the “Residual Payment Obligation Contribution”) as described in Section 5.16. Immediately following the Residual Payment Obligation Contribution, if required to be made, the Company shall make the Residual Payment to the recipient thereof. The Residual Payment Obligation Contribution shall not be used for any purpose other than as set forth in this Section 2.03(b). Section 1.04 The Closing. The closing of the Transactions (the “Closing”) shall take place virtually, via the electronic exchange of documents, or at such place as the Parties may mutually agree in writing, no later than the later of five (5) Business Days following the date of satisfaction of the conditions (or, to the extent permitted by Law, waived by the Party or Parties entitled to the benefits of such conditions) set forth in Article VI, or such other date to which the Parties may mutually agree in writing. The date on which the Closing occurs is referred to in this Agreement as the “Closing Date.” The Closing will be effective as of 11:59 p.m. (Eastern U.S. Time) on the Closing Date (the “Effective Time”).

Section 1.05 Deliveries at Closing.

(a) By the CarVal Entities. Upon the terms and subject to the conditions set forth in this Agreement, at or prior to the Closing, the CarVal Entities shall deliver or cause to be delivered:

(i) to the AB Entities, counterparts of each of the Ancillary Agreements to which any CarVal Entity or any of their respective Affiliates is a party, duly executed by the appropriate CarVal Entity or its applicable Affiliates party thereto;

(ii) to AB Holding, the Contributed Company Interests;

(iii) to the AB Entities, a properly completed and executed certificate in accordance with Treasury Regulation Section 1.1445-11T(d)(2) stating that fifty percent (50%) or more of the value of the gross assets of the Company does not consist of “U.S. real property interests,” or that ninety percent (90%) or more of the value of the gross assets of the Company does not consist of “U.S. real property interests” plus cash or cash equivalents,

(iv) to the AB Entities, each of CIM LP and CIG shall deliver a properly completed and executed certificate of non-foreign status that confirms that, with respect to the consideration received under this Agreement, there is no withholding requirement

under Section 1446(f) of the Code, any Treasury Regulations promulgated thereunder or any guidance issued by the Internal Revenue Service with respect thereto;

(v) to the Person to which they are owed, as set forth on the statement delivered pursuant to Section 2.06, the CarVal Transaction Expenses that will be paid or satisfied at the Closing; and

(vi) to the AB Entities, the certificate referred to in Section 6.02(c).

(b) By the AB Entities. Upon the terms and subject to the conditions set forth in this Agreement, at or prior to the Closing, the AB Entities shall deliver or cause to be delivered:

(i) to the CarVal Entities, counterparts of each of the Ancillary Agreements to which any AB Entity or any of their respective Affiliates is a party, duly executed by the appropriate AB Entity or its applicable Affiliates party thereto;

(ii) to CIM LP and CIG, the Long-Term AB Units;

(iii) to the Company, the Existing Debt Obligations Contribution;

(iv) to AB LP from AB Holding, the Contributed Company Interests;

(v) to the Person to which they are owed, as set forth on the statement delivered pursuant to Section 2.06, the respective Designated CarVal Transaction Expenses; and

(vi) to the CarVal Entities, the certificate referred to in Section 6.03(e).

Section 1.06 Closing Value. At least five (5) Business Days prior to the Closing Date, the CarVal Entities shall deliver to the AB Entities a reasonably detailed statement setting forth its good faith calculation of the Closing Value, setting out separately each component of the calculation thereof, together with reasonable supporting documentation (the "Estimated Closing Statement"), and indicating the CarVal Transaction Expenses (together with supporting invoices) that will be paid or satisfied at the Closing (the "Designated CarVal Transaction Expenses"). The CarVal Parties shall reasonably cooperate with the AB Entities in connection with the AB Entities' review of the matters contained in the Estimated Closing Statement prior to the Closing. The Parties agree to reasonably cooperate in good faith with respect to any dispute or disagreement regarding such calculation of the Closing Value; provided that in no event shall any such dispute or disagreement cause any delay in the Initial AB Contribution or the occurrence of the Closing. If the CarVal Entities agree (based on their good faith evaluation of any proposed modification(s) from the AB Parties) with any objection, they shall change the applicable estimate or input and notify the AB Entities thereof on or prior to the Closing Date, in which event the Estimated Closing Statement shall be deemed amended to reflect such change. The Estimated Closing Statement shall be based solely on the definitions of the items and the provisions of this Agreement. In the event any such dispute or disagreement is not resolved by the Parties prior to the Initial AB Contribution or the occurrence of the Closing, subject to the satisfaction of the conditions (or, to the extent permitted by Law, waived by the Party or Parties entitled to the benefits of such conditions) set forth in Article VI, that Closing shall take place on the basis of the Estimated Closing Statement, including the foregoing deemed amendment, if applicable.

Section 1.07 Post-Closing Statements.

(a) Closing Value; Net Working Capital.

(i) As promptly as possible following the Closing Date, but in any event within sixty (60) days after the Closing Date, the AB Entities shall cause the Company to deliver to CIM LP (with a copy to the Managing Principals) a reasonably detailed statement setting forth their good faith calculation of the Closing Value (using for such purpose, the Accrued Pre-Closing 2022 Bonus Amount, the Estimated Residual Payment Amount and the Employee PS1s, each as set forth in the Estimated Closing Statement), setting out separately each component of the calculation thereof, together with reasonable supporting documentation (the "Closing Statement").

(ii) Upon delivery of the Closing Statement, CIM LP shall be entitled to evaluate such Closing Statement in accordance with Section 2.07(c) and, if CIM LP has any objections to the Closing Statement, the CIM LP shall deliver to the AB Entities a written statement (a "Closing Objections Statement") stating as such and specifying in reasonable detail each item that CIM LP disputes (each, a "Closing Statement Disputed Item"). If a Closing Objections Statement is not delivered to the AB Entities within thirty (30) days following the date of delivery of the Closing Statement, the Closing Statement shall (absent fraud) be final, binding and non-appealable by the Parties. Any Closing Statement Disputed Items shall be resolved in accordance with Section 2.07(d).

(b) Post-2022 Closing Statement.

(i) As promptly as possible following January 1, 2023, but in any event by January 31, 2023, the Company shall deliver to the AB Entities a reasonably detailed statement setting forth its good faith calculation of the 2022 Bonus Amount and the Actual Employee PS1 Payments, together with reasonable supporting documentation, including such information reasonably necessary to verify the Employee PS1s and the Residual Payment (the "Post-2022 Closing Statement"). A copy of the Post-2022 Closing Statement shall be provided to CIM LP and the Managing Principals concurrently with delivery to the AB Entities.

(ii) Upon delivery of the Post-2022 Closing Statement, the AB Entities shall be entitled to evaluate such Post-2022 Closing Statement in accordance with Section 2.07(c) and, if the AB Entities have any objections to the Post-2022 Closing Statement, the AB Entities shall deliver to CIM LP (with a copy to the Managing Principals) a written statement (a "Post-2022 Closing Objections Statement" and, together with the Closing Objections Statement, an "Objections Statement") stating as such and specifying in reasonable detail each item that the AB Entities disputes (each, a "Post-2022 Closing Statement Disputed Item" and, together with any Closing Statement Disputed Item, a "Disputed Item"). If a Post-2022 Closing Objections Statement is not delivered to the AB Entities within thirty (30) days following the date of delivery of the Post-2022 Closing Statement, the Post-2022 Closing Statement shall (absent fraud) be final, binding and non-appealable by the parties. Any Post-2022 Closing Statement Disputed Items shall be resolved in accordance with Section 2.07(d).

(c) Evaluation of Statements. For purposes of this Section 2.07, (i) "Reviewing Party" means, with respect to the Closing Statement, CIM LP and, with respect to the Post-2022 Closing Statement, the AB Entities and (ii) "Reviewed Party" means, with respect to the Closing Statement, the Company and the AB Entities and, with respect to the Post-2022 Closing Statement, the Company (acting through the Managing Principals). After delivery of the Closing

Statement or the Post-2022 Closing Statement, as applicable, the Reviewing Party, and their accountants and other Representatives shall be permitted access at reasonable times to the CarVal Entities' books and records and any work papers (in the case of auditor work papers, subject to the Reviewing Party, and their applicable Representatives entering into any customary undertakings required by the Reviewed Party's accountants in connection therewith) related to the preparation of the Closing Statement or the Post-2022 Closing Statement, as applicable. The Reviewing Party and their accountants and other Representatives may make reasonable inquiries of the Reviewed Parties and their respective accountants and employees regarding questions concerning or disagreements with the Closing Statement or the Post-2022 Closing Statement, as applicable, arising in the course of their review thereof, and the Reviewed Parties shall use their commercially reasonable efforts to cause any such accountants and employees to cooperate with and respond to such inquiries.

(d) Dispute Resolution.

(i) The Managing Principals (on behalf of CIM LP), on the one hand, and senior representative of the AB Entities (including the "Designated Person" as defined in the Framework Agreement), on the other hand, shall negotiate in good faith to resolve any Disputed Items, but if they do not reach a final resolution within fifteen (15) days after the delivery of the applicable Objections Statement, CIM LP and the AB Entities shall submit such dispute to a nationally recognized independent accounting firm reasonably acceptable to CIM LP and the AB Entities (the "Dispute Resolution Firm").

(ii) Each of CIM LP and the AB Entities shall cause the engagement of the Dispute Resolution Firm to be on the terms set forth in this Section 2.07. Any further submissions to the Dispute Resolution Firm must be written and delivered to each party to the dispute. Neither CIM LP nor the AB Entities shall engage in any *ex-parte* communication (whether written or oral) with the Dispute Resolution Firm following submission of each such party's respective assertions. The Dispute Resolution Firm shall consider only those items and amounts that are identified in the applicable Objections Statement as being Disputed Items and that CIM LP and the AB Entities were unable to resolve. The Dispute Resolution Firm's determination shall be based solely on the definitions of the items used to compute the Closing Value and the definitions of the items used to compute the 2022 Bonus Amount or Employee PS1 Payments and, in each case, the provisions of this Agreement.

(iii) The Dispute Resolution Firm shall be instructed to resolve all disagreements submitted to it as soon as practicable and in any event within sixty (60) days of such submission and deliver a written report to the parties setting forth its final determination of any such disagreement of Disputed Item. With respect to each Disputed Item, such determination, if not in accordance with the position of either CIM LP, on the one hand, or the AB Entities, on the other hand, shall not be in excess of the higher, nor less than the lower of the disputed amounts set forth in the Closing Statement and the Objections Statement. Further, the Dispute Resolution Firm's determination shall be based solely on the presentations by CIM LP and the AB Entities that are in accordance with the terms and procedures set forth in this Agreement (*i.e.*, not on the basis of an independent review). The resolution of the dispute by the Dispute Resolution Firm shall (absent manifest error) be final and binding on and non-appealable by the Parties. The Dispute Resolution Firm shall act as expert and not as an arbitrator.

(iv) The costs and expenses of the Dispute Resolution Firm shall be allocated by the Dispute Resolution Firm between CIM LP and CIG, on the one hand, and the AB Entities, on the other hand, based upon the percentage that the portion of the contested

amount not awarded to each Party bears to the amount actually contested by such Party. For example, if CIM LP and CIG claim the Closing Value is \$1,000 greater than the amount determined by the AB Entities, and the AB Entities contest only \$500 of the amount claimed by CIM LP and CIG, and if the Dispute Resolution Firm ultimately resolves the dispute by awarding CIM LP and CIG \$300 of the \$500 contested, then the costs and expenses of arbitration shall be allocated sixty percent (60%) (*i.e.*, $300 \div 500$) to the AB Entities and forty percent (40%) (*i.e.*, $200 \div 500$) to CIM LP and CIG.

(v) The Closing Statement that is final and binding on the Parties, as determined either through the mutual agreement of the Parties or through the final determination of the Dispute Resolution Firm, is referred to herein as the “Final Closing Statement.” The Post-2022 Closing Statement that is final and binding on the Parties, as determined either through the mutual agreement of the Parties or through the final determination of the Dispute Resolution Firm, is referred to herein as the “Final Post-2022 Closing Statement.”

Section 1.08 Post-Closing Adjustment.

(a) Closing Value; Net Working Capital.

(i) The “Closing Value Adjustment” shall be equal to the difference between (x) the Closing Value as determined by the Final Closing Statement and the (y) the Closing Value as determined by the Estimated Closing Statement.

(ii) If the Closing Value Adjustment is a positive amount, an amount equal to the Closing Value Adjustment shall be added to the 2022 Bonus Amount and, prior to the date on which such 2022 Bonus Amount would be paid in accordance with the Framework Agreement, AB LP shall make a capital contribution to the Company, consisting of immediately available and unencumbered funds in an amount equal to the absolute value of the Closing Value Adjustment (the “Positive Closing Value Adjustment Amount”) for funding of the Annual Bonus Amount in respect of the 2022 fiscal year. The AB Entities shall cause the Company to use the entirety of any such capital contribution in respect of the Positive Closing Value Adjustment Amount solely as provided in this Agreement and the Framework Agreement.

(iii) If the Closing Value Adjustment is a negative amount, then CIM LP shall surrender to the AB Entities, for no consideration in respect thereof, an amount of Long-Term AB Units with an aggregate value equal to the absolute value of the Closing Value Adjustment (calculated based VWAP as of the trading day immediately prior to such surrender).

(iv) For the avoidance of doubt, if the Closing Value as determined by the Final Closing Statement is equal to the Closing Value as determined by the Estimated Closing Statement, there shall be no Closing Value Adjustment.

(v) From the Closing through the determination of the Final Closing Statement pursuant to Section 2.07 and the surrender of AB Units by CIM LP in respect thereof as described in Section 2.08(a)(ii) if the Closing Value Adjustment is a negative amount, and in addition to the obligation set forth in Section 8.02, CIM LP shall retain (and shall not distribute to its equityholders) an amount of Long-Term AB Units having a value of not less than \$2,000,000 in order to satisfy any potential obligations pursuant to Section 2.08(a)(ii).

(b) 2022 Bonus Amount.

(i) The “Post-2022 Closing Adjustment” shall be equal to the sum of (a) an amount equal to (x) the Pre-Closing 2022 Bonus Amount as determined by the Post-2022 Closing Statement minus (y) the Accrued Pre-Closing 2022 Bonus Amount as determined by the Estimated Closing Statement and (b) an amount equal to (x) the Employee PS1 amount included as Specified Obligations in the Closing Statement minus (y) the Actual Employee PS1 Payments.

(ii) If the Post-2022 Closing Adjustment is a positive amount, then an amount equal to the absolute value of the Post-2022 Closing Adjustment shall be added to the 2022 Bonus Amount in respect of the 2022 fiscal year and paid in accordance with the Framework Agreement; and

(iii) If the Post-2022 Closing Adjustment is a negative amount, then an amount equal to the absolute value of the Post-2022 Closing Adjustment shall be subtracted from the 2022 Bonus Amount in respect of the 2022 fiscal year and paid in accordance with the Framework Agreement.

Section 1.09 CarVal Performance.

(a) Performance Amount. As soon as reasonably practicable after the end of each Performance Measurement Period, and in any event no later than forty-five (45) days following the last day of each Performance Measurement Period, the Company shall cause to be prepared and delivered to the AB Entities its good faith written calculation (the “Performance Statement”) of the portion of the Total Performance Amount calculated in respect of such Performance Measurement Period (each such portion, a “Performance Amount”), which calculation shall be prepared in accordance with the Accounting Principles.

The Performance Amount in respect of any such Performance Measurement Period shall be calculated as follows:

(i) if, at the end of any Performance Measurement Period, Net Management Fees attributable to such Performance Measurement Period are less than then-current Performance Benchmark, then the Performance Amount in respect of such Performance Measurement Period shall be zero;

(ii) if, at the end of any Performance Measurement Period, Net Management Fees attributable to such Performance Measurement Period are equal to or greater than the Upper Hurdle, then the Performance Amount in respect of such Performance Measurement Period shall be equal to the Total Performance Amount *minus* the aggregate Performance Amount in respect of all prior Performance Measurement Periods; provided that in no event shall such Performance Amount be less than zero;

(iii) if, at the end of any Performance Measurement Period, Net Management Fees attributable to such Performance Measurement Period are equal to or greater than the then-current Performance Benchmark but less than the Upper Hurdle, then the Performance Amount in respect of such Performance Measurement Period shall be an amount equal to (A) an amount between zero and the Total Performance Amount (determined on a linear interpolation basis according to the amount by which such Net Management Fees exceed the Lower Hurdle but are less than the Upper Hurdle) *minus* (B) the aggregate Performance Amount in respect of all prior Performance Measurement Periods; provided that (X) in no event shall such Performance Amount be less than zero,

and (Y) no portion of the Total Performance Amount shall be paid under this clause (iii) with respect to any Performance Measurement Period in which the Net Management Fees attributable to such Performance Measurement Period do not exceed the then-current Performance Benchmark;

(iv) for the avoidance of doubt, the aggregate Performance Amount calculated in respect of all Performance Measurement Periods shall not exceed the Total Performance Amount.

(b) Upon the determination of any Performance Amount by mutual agreement among CIM LP, CIG and the AB Parties or pursuant to Section 2.09(f), AB LP shall make a capital contribution to the Company in an amount of cash equal to the Cash Amount (each such amount a “Performance Employee Payment Amount”) as and when required pursuant to Section 5.08(c). The AB Entities shall cause the Company to use the entirety of any such capital contribution in respect of any Performance Employee Payment Amount (including any amount contributed pursuant to Section 2.09(e)(v)) solely to fund the Employee Payment Pools as provided in this Agreement and the Framework Agreement.

(c) Subject to Section 2.12, in further consideration for all of the Company Interests Contribution, subject to Section 2.09(e), upon the determination of any Performance Amount, AB Holding shall issue an amount of AB Units with an aggregate value (calculated based on the VWAP as of the trading day immediately preceding such issuance) equal to the Remaining Amount (all such AB Units, the “Performance Units”), to CIM LP and CIG in accordance with the allocation set forth on Exhibit I and CIM LP and CIG shall each agree to accept such issuance. For the avoidance of doubt, upon issuance, the Performance Units shall be subject to the same terms as the Initial Short-Term AB Units. Immediately prior to the issuance of any Performance Units by AB Holding to CIM LP and CIG (including in connection with a Performance Acceleration Event), AB LP shall issue additional Equity Interests in AB LP to AB Holding of equivalent value.

(d) Upon delivery of the Performance Statement, the AB Entities shall have fifteen (15) Business Days to review such Performance Statement (such period, the “Performance Statement Review Period”) and shall be entitled to make reasonable inquiries of the Company regarding questions concerning or disagreements with the Performance Statement arising in the course of their review thereof, and the Company shall use its reasonable best efforts to cooperate with and promptly respond to such inquiries and provide such documents, books, records, work papers and access as is reasonably requested by the AB Entities. The Parties shall attempt to resolve any dispute regarding the calculation of any Performance Amount in good faith by a meeting among the Managing Principals and senior representatives of the AB Entities. Any such dispute that has not been so resolved within thirty (30) days of the delivery of any calculation of the applicable Performance Amount shall be resolved in accordance with the terms of Section 2.09(f) or such other manner as agreed by the Parties. The AB Entities shall take the actions contemplated by this Section 2.09 within ten (10) days following the determination of such Performance Amount or the resolution of any dispute related thereto pursuant to Section 2.09(f).

(e) Acceleration.

(i) Subject to Section 2.09(e)(ii), if a Performance Acceleration Event occurs prior to the expiration of the final Performance Measurement Period, CIM LP and CIG shall have the collective option to receive an amount of AB Units with a cumulative value equal to the Remaining Amount (calculated based on the VWAP as of the date

immediately preceding such issuance) (such amount, the “Accelerated Performance Equity”) on the terms and conditions set forth in this Section 2.09(e).

(ii) Upon the occurrence of a Performance Acceleration Event, CIM LP and CIG shall jointly notify the AB Entities of the occurrence of a Performance Acceleration Event within sixty (60) days from the date CIM LP and CIG become aware of such occurrence by written notice delivered pursuant to Section 9.07 (a “Performance Acceleration Notice”); provided that the failure to deliver such notice within such period shall be deemed to be an irrevocable waiver of the rights accorded to CIM LP and CIG by this Section 2.09(e) with respect to such Performance Acceleration Event (but not with respect to any other distinct Performance Acceleration Event).

(iii) Upon the receipt of such Performance Acceleration Notice, if such Performance Acceleration Event is curable, the AB Entities may cure such alleged Performance Acceleration Event during the Acceleration Cure Period (whereupon such cure, such Performance Acceleration Notice will be deemed withdrawn). If the AB Entities dispute the occurrence of any such Performance Acceleration Event, the AB Entities shall deliver a written notice of such dispute (an “Acceleration Dispute Notice”) to CIM LP and CIG within twenty (20) days of the delivery of the applicable Performance Acceleration Notice.

(iv) Following delivery of any Acceleration Dispute Notice or upon any dispute as to whether a Performance Acceleration Event has been cured, the Managing Principals (on behalf of CIM LP and CIG), on the one hand, and senior representative of the AB Entities (including the “Designated Person” as defined in the Framework Agreement), on the other hand, shall attempt to resolve such dispute in good faith. Any such dispute that has not been so resolved (A) in the case of a dispute regarding the occurrence of a Performance Acceleration Event, within twenty (20) days of delivery of the relevant Acceleration Dispute Notice or (B) in the case of a dispute whether a Performance Acceleration Event has been cured, within twenty (20) days of the end of the Acceleration Cure Period shall, in either case, be resolved in accordance with Section 2.09(f) or in such other manner as agreed by the Parties.

(v) Within ten (10) days following the earlier of (x) the date of any agreement among the AB Entities and CIM LP and CIG that a Performance Acceleration Event has occurred and (z) the determination pursuant to Section 2.09(f) that a Performance Acceleration Event has occurred or has not been cured during the Acceleration Cure Period, AB Holding shall take the actions contemplated by Section 2.09(e)(i) and AB LP shall, if and as directed by CIM LP in the Performance Acceleration Notice, make a capital contribution to the Company in cash, for funding of the Employee Payment Pools, in an amount equal to the Cash Amount.

(f) With respect to any dispute among the Parties with respect to the Performance Amount, a Performance Statement or Performance Acceleration Event that the Parties have failed to resolve within the specified resolution periods, either Party may submit the dispute to confidential, final and binding arbitration in accordance with the J.A.M.S. Comprehensive Arbitration Rules and Procedures then in effect (the “J.A.M.S. Rules”), except as modified herein. The arbitral tribunal shall have the authority to grant any equitable and legal remedies that would be available in any judicial proceeding initiated to resolve such dispute. The award rendered by the arbitral tribunal shall be in writing and shall state the bases on which it is based (the “Award”). The Award shall be non-appealable, binding and conclusive upon the Parties. Any judgment upon the Award may be entered in any court having jurisdiction over any Party or any of its assets. The seat of the arbitration shall be mutually agreed upon by the Parties;

provided that if the Parties cannot so agree, the seat of the arbitration shall be Wilmington, Delaware. The arbitration shall be conducted by a panel of three (3) arbitrators, one selected by the claimant in the demand for arbitration, the second selected by the respondent within thirty (30) days of receipt of the demand for arbitration or in the answer thereto, whichever comes first, and the third, who shall act as the chairperson, selected by the two Party-appointed arbitrators within thirty (30) days of the selection of the second arbitrator. Upon the written request of any Party, any arbitrator(s) not selected within these prescribed time periods shall be appointed in accordance with the JAMS Rules. Unless the Parties agree otherwise, each arbitrator shall be familiar with the commercial law of Delaware and cannot be employed by or otherwise work for any Person then performing services for either Party. The arbitration and this arbitration agreement shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et seq.). The non-prevailing Party shall bear all costs of the arbitration incurred by any Party, including attorneys' fees, including the expense of all deposits and advances required by the arbitral tribunal and J.A.M.S. Unless otherwise expressly agreed in writing by the Parties, this Section 2.09(f) shall be the sole and exclusive method for resolving any dispute among the Parties with respect to the Performance Amount, a Performance Statement or Performance Acceleration Event.

Section 1.10 Withholding. All payments hereunder shall be made free and clear of, and without deduction for, any and all present and future Taxes or duties imposed by any Governmental Authority. To the extent that such amounts are so withheld and timely paid over to or deposited with the relevant Governmental Authority by the payor, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the applicable Person in respect to which such deduction and withholding was made.

Section 1.11 Delivery of AB Units. At such time as any AB Transaction Units are delivered to a CarVal Party pursuant to this Agreement, such AB Transaction Units will be duly authorized and validly issued under the Governing Documents of AB Holding and will be delivered to the applicable CarVal Party free and clear of all Liens (other than Permitted Securities Liens). AB Holding shall use its reasonable best efforts to cause any AB Transaction Units to be delivered to a CarVal Party pursuant to this Agreement to be approved for listing upon the delivery of such AB Units to the applicable CarVal Party on the New York Stock Exchange (or such other national securities exchange on which the AB Units are then listed), subject to official notice of issuance and the taking of any actions required to be taken by a CarVal Party as set forth in the following sentence or the Registration Rights Agreement. Each CarVal Party shall take all actions reasonably requested by the AB Entities reasonably in advance of the date on which any AB Transaction Units are required to be delivered to the applicable CarVal Party pursuant to this Agreement in order to facilitate the delivery of the AB Transaction Units to such CarVal Party, including by providing all required information and instructions necessary to effect such delivery by the transfer agent of AB Holding. At any time that any AB Transaction Units are Freely Tradeable, upon the request of any CarVal Party, AB Holding shall credit the number of such AB Transaction Units requested by such CarVal Party to such CarVal Party's or its designee's balance account with The Depository Trust Company through its Deposit/Withdrawal at Custodian system.

Section 1.12 Payments in Cash or Marketable Securities.

(a) If the AB Units (including for purposes of this Agreement any common equity securities into which such units may have been exchanged pursuant to a merger, exchange offer or similar transaction involving AB Holding) are not listed for trading on a national securities exchange (or would otherwise not be able to be sold by CIM LP, CIG or any transferee thereof on a public market pursuant to either an effective registration statement or compliance with the requirements of Rule 144) at the time when any AB Units are to be delivered by AB pursuant to Section 2.09, in lieu of issuing listed AB Units, AB LP shall deliver an amount in cash and/or readily marketable listed securities equal to the dollar value then due pursuant to this Agreement.

Section 1.13 AB Units Distributions. Any AB Units received by any CarVal Party pursuant to the terms of this Agreement shall participate in any dividends or distributions that are declared or made with respect to any AB Units that are not held by any CarVal Party (such AB Units, the “Non-CarVal AB Units”) on the same terms and conditions that such Non-CarVal AB Units are subject to; provided that the CarVal Parties shall forfeit or return (as applicable) any cash declared or distributed with respect to any AB Units redeemed pursuant to the terms of Section 2.08 or Section 8.02(b).

Where applicable, each of the AB Entities is duly qualified or licensed as a foreign corporation, partnership or other entity to do business and is in good standing (to the extent such concept exists) in each jurisdiction in which the nature of its business or properties makes such qualification or license necessary, and each of the AB Entities has full power and authority necessary to own all of its properties and assets and to carry on its business as it is now being conducted, except where failure to be so qualified, licensed or in good standing or to have such power or authority (as applicable) would not

reasonably be expected, individually or in the aggregate, to prohibit or materially impair the AB Entities' ability to consummate the Transactions or perform their obligations hereunder on a timely basis. True and complete copies of the Governing Documents of each AB Entity, as in effect as of the date hereof, have heretofore been made available to the CarVal Entities or are otherwise included in the SEC Reports.

The execution and delivery by each AB Entity of this Agreement and each such Ancillary Agreement, the performance by each AB Entity of its respective obligations hereunder and thereunder, and the consummation of the transactions contemplated hereby and thereby have been duly authorized by all necessary action, if any, of such AB Entity, and no other action on the part of such AB Entity is required in connection herewith or therewith.

(c) This Agreement and the Ancillary Agreements to which each AB Entity is a party have been duly and validly executed and delivered by each AB Entity, as applicable, and constitute legal, valid and binding obligations of each AB Entity enforceable against each such party in accordance with their terms, subject to the Bankruptcy and Equity Exception.

Section 1.03 Noncontravention. Neither the execution and delivery of this Agreement or any Ancillary Agreement to be executed by the AB Entities, nor the consummation by the AB Entities of the Transactions will (i) breach any provision of the Governing Documents of any AB Entity or (ii) assuming that the authorizations, consents and approvals referred to in Section 4.04

are obtained and the filings referred to in Section 4.04 are made, violate any Law applicable to the AB Entities, except, in the case of clause (ii), for such violations, defaults, accelerations or rights as would not, individually or in the aggregate, reasonably be expected to prevent, materially delay or materially impair the consummation of the Transactions. No AB Entity or any person “associated” (as defined in the Investment Advisers Act) therewith who is required to be qualified, is subject to potential disqualification pursuant to Section 203 of the Investment Advisers Act to serve as an investment adviser or as a person associated with a registered investment adviser or subject to disqualification under Rule 206(4)-3 under the Investment Advisers Act; nor is there any proceeding or investigation pending, threatened in writing, or threatened other than in writing, that would result in any such disqualification.

Except as set forth in Section 4.08 of the AB Disclosure Schedule, since January 1, 2019, none of the AB Entities has received any written or oral notification from any Governmental Authority asserting that the AB Entities are not in compliance in any material respect with any of the statutes, regulations or ordinances that such Governmental Authority enforces or that such Governmental Authority intends to revoke or suspend any Permit necessary for the operation of the AB Entities, except for such noncompliance, revocation or suspension as would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the AB Entities and their Subsidiaries, taken as a whole.

Section 1.09 SEC Reports; Financial Statements.

(a) The information in each report or registration statement filed by the AB Entities or any Subsidiary of any AB Entity with the SEC since the Relevant Date (collectively, with all information incorporated by reference therein or deemed to be incorporated by reference therein, the “SEC Reports”), was true and correct in all material respects at the time the SEC Reports were filed, and did not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which it was made, not misleading at the time the SEC Reports were filed.

(xxvii) fail to maintain the accounts, books and records of the CarVal Entities in the usual, regular and ordinary manner on a basis consistently applied;

(xxviii)(i) reduce or waive the fee rate payable to the Company or any of its Subsidiaries under any material Management Contract or (ii) increase the amount or rate of expense reimbursement paid by the Company or any of its Subsidiaries with respect to any material Management Contract by, in the case of the foregoing clauses (i) and (ii), in the aggregate, an amount that would cause the annual net revenue (calculated net of any such reduction in or waiver of fee rate and any such increase in the amount or rate of expense reimbursement) to the Company or any of its Subsidiaries under such material Management Contract to be reduced by more than five percent (5%), in the aggregate, relative to such net revenue to the Company or any of its Subsidiaries attributable to such material Management Contract without giving effect to such reduction in or waiver of fee rate or increase in the amount or rate of such expense reimbursement; or

(xxix) agree in writing or otherwise to take any of the foregoing actions prohibited by this Section 5.01(a).

(b) The AB Entities acknowledge and agree that (i) nothing contained in this Agreement shall give the AB Entities, directly or indirectly, the right to control or direct the operations of any CarVal Entity prior to the Effective Time, (ii) prior to the Effective Time, the Company and the CarVal Parties shall exercise, subject to the terms and conditions of this Agreement, complete control and supervision over the operations of the CarVal Entities and (iii) notwithstanding anything to the contrary set forth in this Agreement, no consent of the AB Entities shall be required with respect to any matter set forth in this Section 5.01 or elsewhere in this Agreement to the extent the requirement of such consent would violate any Law.

Section 1.02 Access to Information. During the period from the date hereof until the earlier of the Effective Time and the termination of this Agreement in accordance with Article VII and subject to applicable Laws, (x) the AB Entities and their Representatives shall be entitled to have such access to the properties, businesses and operations of the CarVal Entities and such examination of the books and records of the CarVal Entities, as the AB Entities reasonably request in connection with their efforts to consummate the Transactions and (y) the AB Entities shall provide the CarVal Parties with such tax matters information pertaining to the Transactions as is reasonably requested by the CarVal Parties. All such requests for access and information shall be in writing and directed to the Responding Party or such Person or Persons as may be designated by the Responding Party. Any such access and examination shall be conducted on reasonable advance written notice, during regular business hours and under reasonable circumstances and shall be subject to restrictions under applicable Law. The Responding Party shall use its commercially reasonable efforts to cause the officers, employees, consultants, agents, accountants, attorneys and other Representatives of the Responding Party to reasonably cooperate with the Requesting Party and the Requesting Party’s Representatives in connection with such access and examination, and the Requesting Party and its Representatives shall reasonably cooperate with the Responding Party and its respective officers, employees, consultants, agents, accountants, attorneys and other Representatives and shall use its commercially reasonable efforts to minimize any disruption to the business. Notwithstanding anything herein to the contrary, no such access or examination shall be permitted to the extent that it would, in the good faith judgement of the Responding Party (i) unreasonably disrupt the operations of the Responding Party or (ii) would reasonably be likely to cause the Responding Party to lose the benefit of attorney-client privilege or conflict with any non-waivable confidentiality obligations or applicable Law to which any Responding Party is bound, in each case with respect to information to be disclosed; provided, however, that the Responding Party shall, at the Requesting Party’s request, provide a reasonable description of the general nature of the information not provided; and provided, further, that the Responding Party shall use commercially reasonable efforts to seek alternative means to disclose such information as nearly as possible without affecting attorney-client privilege or conflicting with such confidentiality obligation or Law.

Section 1.03 Reasonable Best Efforts.

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of the AB Entities and the CarVal Parties shall, and shall cause their Subsidiaries to, take, or cause to be taken, all actions and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary, proper or advisable to fulfill all conditions to Closing applicable to such Party pursuant to this Agreement and to consummate and make effective the Transactions as provided herein, including executing and delivering any additional agreements, documents or instruments reasonably necessary, proper or advisable to consummate the Transactions and to fully carry out the purposes of this Agreement. In furtherance of the

foregoing, the Parties shall prepare and file, as promptly as practicable, with any Governmental Authority all documentation to obtain the clearances, waivers, consents, authorizations, orders, and approvals that are necessary, proper or advisable to consummate the Transactions, including (i) making all necessary filings under the HSR Act, and making all necessary filings to obtain the Other Required Regulatory Approvals, within thirty (30) days after the date of this Agreement. Absent the prior written consent of the other Party, a Party shall not withdraw any such filings. To the extent permitted by applicable Law, the Parties shall deliver as promptly as practicable to the appropriate Governmental Authorities any additional information and documentary material that may be requested by any Governmental Authority in connection with the Transactions. Without limiting the foregoing, none of the AB Entities or the CarVal Parties shall extend any waiting period under the HSR Act or other antitrust or competition Laws or enter into any agreement with any Governmental Authority not to consummate the Transactions, except with the prior written consent of the other Party (which shall not be unreasonably withheld, conditioned or delayed).

(b) The AB Entities and the CarVal Entities shall have the right to review in advance and, to the extent practicable, and subject to any restrictions under applicable Law, each shall consult the other on, any filing made with, or proposed communication, whether written or oral, to, any Governmental Authority in connection with the Transactions and each agrees to in good faith consider comments of the other parties with respect to any such filing or proposed communication. The AB Entities and the CarVal Entities shall promptly furnish to each other copies of all such filings and written materials after their filing or submission, in each case subject to applicable Laws. Subject to applicable Laws, the AB Entities and the CarVal Entities shall promptly advise each other upon receiving any communication from any Governmental Authority whose clearance, waiver, consent, authorization or approval is required to consummate the Transactions, including promptly furnishing each other copies of any written or electronic communication, and shall promptly advise each other when any such communication causes such party to believe that there is a reasonable likelihood that any such clearance, waiver, consent, authorization or approval will not be obtained or that the receipt of any such clearance, waiver, consent, authorization or approval will be materially delayed or conditioned. In addition, except as may be prohibited by any Governmental Authority or by any applicable Law, no Party shall participate in any meeting, teleconference or videoconference with any Governmental Authority with respect to the Transactions without consulting the other parties in advance and, to the extent permitted by such Governmental Authority, giving the other parties or their authorized Representatives the opportunity to attend and participate thereat. Notwithstanding the foregoing, no Party shall be obligated (i) to provide Personal Information to another Party or (ii) to disclose to any other Party such portions of any proposed or final correspondence, filing or other written communication with a Governmental Authority or its staff as the Party to such correspondence, filing or communication may reasonably deem competitively-sensitive, privileged or confidential vis-à-vis the other party or, in the case of AB Entities, contains references concerning the valuation of the CarVal Entities, except that, subject to applicable Law, it shall disclose matters to the external counsel of the other Party to the extent reasonably necessary in order to enable the Party to fulfill its cooperation obligations in this Section 5.03 with the understanding that such counsel shall not share such documents and information with its client (although such counsel may use such documents and information in advocating on behalf of its client).

(c) Without limiting the generality of the AB Entities' obligations pursuant to this Section 5.03, the AB Entities shall use their reasonable best efforts to take any and all steps necessary to avoid or eliminate any impediment under any antitrust, competition or trade regulation Law that may be asserted by any Governmental Authority or any other party so as to enable the Parties to close the Transactions as promptly as possible; provided that the Parties understand and agree that nothing herein shall be deemed to require the AB Entities to (i) enter into a settlement, undertaking, consent decree, stipulation or agreement with any Governmental

Authority in connection with the Transactions or (ii) divest any of its or its Affiliates' businesses, assets or properties. The CarVal Parties agree not to take any such action in connection with the foregoing without the AB Entities' prior written consent.

(d) As promptly as reasonably practicable (and in any event no later than the time required under applicable Law) following the Closing Date, the AB Entities and the CarVal Parties shall cooperate to enable the Company to file with the SEC amendments to the Form ADV of the Company, in form and substance reasonably acceptable to the Managing Principals and the AB Entities and in compliance with all applicable Laws.

Section 1.04 Publicity. The initial press release with respect to the execution of this Agreement and entry into the Transactions shall be a joint press release to be mutually agreed upon by the CarVal Parties and the AB Entities and consistent with any communications plan regarding the Transaction as may be agreed by the Parties. Thereafter, none of the Parties or any of their Affiliates shall issue any press release, public announcement or comment concerning this Agreement, the Ancillary Agreements or the Transactions without obtaining the prior written approval of the AB Entities or the CarVal Parties, as the case may be; provided that the Parties and their Affiliates may, without such prior written approval, issue such press release, or make such public announcement, disclosure or comment (i) to the extent, in the judgment of such Party upon the advice of its outside counsel, disclosure is required by applicable Law or under the rules of any securities exchange on which the securities of such Party or any of its Affiliates are listed (provided that, to the extent so required by applicable Law, the Party intending to make such release shall use its commercially reasonable efforts consistent with applicable Law to consult with the other Parties in advance of such release with respect to the text thereof), (ii) to the extent that such Party deems necessary or advisable to be made in filings with the SEC (provided that the Party intending to make such filings shall use its commercially reasonable efforts consistent with applicable Law to consult with the other Parties in advance of such filing with respect to the text relating to the Transactions), or (iii) to the extent substantially consistent with information previously announced in accordance with this Section 5.04.

Section 1.05 Employment and Employee Benefits.

(a) For the one (1) year period following the Effective Time (the "Continuation Period"), the AB Entities shall provide, or shall cause their Affiliates to provide, each Company Employee who is employed by any CarVal Entity immediately prior to the Effective Time and who continues to be employed by any AB Entity (each, a "Continuing Employee") with (i) an annual base salary or hourly wage rate that is no less than that provided to such Continuing Employee immediately prior to the Effective Time, (ii) a target annual cash bonus opportunity that is consistent with the terms of the Framework Agreement, and (iii) employee benefits (excluding equity and long-term incentive compensation, defined benefit pension and post-retirement welfare) that are, in the aggregate, no less favorable than either the employee benefits (other than any equity-based compensation, defined benefit pension benefits and post-retirement welfare) in effect for such Continuing Employees immediately prior to the Effective Time or the employee benefits (other than any equity-based compensation, defined benefit pension benefits and post-retirement welfare) in effect for similarly situated employees of the AB Entities during such one (1) year period.

(b) For purposes of eligibility, vesting, and determination of level of benefits under the compensation and benefit plans, programs agreements and arrangements of AB Entities and its Affiliates providing benefits to any Continuing Employees after the Effective Time (the "New Plans"), including for purposes of accrual of vacation and other paid time off and severance benefits under New Plans, each Continuing Employee shall be credited for the Continuing Employee's years of service with the CarVal Entities and their Affiliates (and any additional

service with any predecessor employer) before the Effective Time, to the same extent as such Continuing Employee was entitled, before the Effective Time, to credit for such service under any similar CarVal Plan, except where such credit would result in a duplication of benefits or accrual under any defined benefit plan. In addition, and without limiting the generality of the foregoing: (i) each Continuing Employee shall be immediately eligible to participate, without any waiting time, in any and all New Plans to the extent coverage under such New Plan replaces coverage under a comparable CarVal Plan in which such Continuing Employee participated, or was eligible to participate, immediately before the replacement; and (ii) for purposes of each New Plan providing medical, dental, pharmaceutical and/or vision benefits to any Continuing Employee, the AB Entities shall use reasonable efforts to cause all pre-existing condition exclusions and actively-at-work requirements of such New Plan to be waived for such Continuing Employee and the Continuing Employee's covered dependents and beneficiaries except to the extent such pre-existing conditions and actively-at-work requirements would apply under the analogous CarVal Plan, and the AB Entities shall use reasonable efforts to cause any eligible expenses incurred by such Continuing Employee and the Continuing Employee's covered dependents and beneficiaries under a CarVal Plan during the portion of the plan year prior to the Effective Time to be taken into account under such New Plan for purposes of satisfying all deductible, co-insurance, co-payment and maximum out-of-pocket requirements applicable to such Continuing Employee and the Continuing Employee's covered dependents and beneficiaries for the applicable plan year as if such amounts had been paid in accordance with such New Plan.

(c) Any written or oral communications to the Company Employees (including website postings) pertaining to compensation or benefit matters that are affected by the Transactions shall be made after reasonable consultation with AB at least three (3) business days in advance of such communications; provided that any such communications regarding the New Plans shall be subject to the prior review, comment and approval of the AB Entities on a timely basis and which approval shall not be unreasonably withheld, conditioned or delayed.

(d) Prior to the Effective Time, if requested by any of the AB Entities in writing, the appropriate CarVal Entity shall adopt resolutions and take all such action as is necessary to terminate each 401(k) plan maintained, sponsored or contributed to by any of the CarVal Entities (collectively, the "CarVal 401(k) Plan"), in each case, effective as of the day immediately prior to the Closing Date. In the event that any of the AB Entities requests that such CarVal 401(k) Plan be terminated, the CarVal Entities shall provide the AB Entities with evidence reasonable satisfactory to the AB Entities prior to the Closing Date that the CarVal 401(k) Plan has been properly terminated, provided that at least five (5) Business Days prior to terminating the CarVal 401(k) Plan, the CarVal Entities shall provide the AB Entities with the form and substance of any applicable resolutions for review (and the applicable CarVal Entity shall consider the comments of the AB Entities in good faith). If the CarVal 401(k) Plan is terminated pursuant to the request by the AB Entities, the Continuing Employees shall be eligible to participate in a 401(k) plan maintained by the applicable AB Entity as soon as reasonably practical following the Closing Date.

(e) This Section 5.05 shall be binding upon and shall inure solely to the benefit of each of the Parties and nothing in this Section 5.05 or any other provision of this Agreement or any other related Contract, express or implied (i) shall be construed to establish, amend, or modify any CarVal Plan or any other benefit plan, program, agreement, or arrangement, (ii) shall alter or limit the ability of the AB Entities or any of their Subsidiaries to amend, modify or terminate any benefit plan, program, agreement or arrangement or, after the Effective Time, any CarVal Plan in accordance with their terms, without limiting or altering the terms set forth in this Section 5.05, (iii) shall prevent the AB Entities or any of their Subsidiaries, after the Effective Time, from terminating the employment of any Continuing Employee or (iv) is intended to or

shall confer upon any Company Employee, Continuing Employee or any other Person any third-party beneficiary or other right to employment or continued employment or service for any period of time by reason of this Agreement or any other related agreement, or any right to a particular term or condition of employment.

(a) Tax Return Preparation.

(i) The CarVal Entities shall prepare and file, or cause to be prepared and filed, any Tax Returns of the CarVal Entities for any taxable period ending on or before the Initial AB Contribution Date, including, for the avoidance of doubt, such Tax Returns that are required to be filed on or after the Closing Date (collectively, “Pre-Closing Period Tax Returns”). Any Pre-Closing Period Tax Returns shall be prepared and filed in a manner consistent with the most recent past practice of the CarVal Entities, unless otherwise required by applicable Tax Law. Not later than fifteen (15) days prior to the due date (taking into account all extensions properly obtained for filing such Pre-Closing Period Tax Returns), the CarVal Entities shall provide the AB Entities with a copy of relevant portions of the draft of such Pre-Closing Period Tax Return, except for any Flow-Through Returns, for the AB Entities to review and timely provide comments to such Pre-Closing Period Tax Return, and the CarVal Entities shall take into account, or cause to be taken into account, in good faith any reasonable comments delivered by the AB Entities.

within the meaning of Section 6225 of the Code for a Pre-Closing Tax Period, the CarVal Entities, shall timely and properly make the election (to the extent available) to “push out” any adjustments to CIM LP and CIG, under Section 6226 and any corresponding state and local Law or otherwise take any permissible steps which may be necessary to cause CIM LP and CIG, to bear in full the burden of any such adjustment, including any interest, penalties and additions to Tax.

(ii) Notwithstanding anything to the contrary herein, the provisions of this Section 5.06(b)(ii), and not those contained in Section 8.03 shall govern any Tax Claims.

The party required by applicable Law to file a Tax Return with respect to such Transfer Taxes and to pay such Transfer Taxes shall do so within the time period prescribed by Law. The AB Entities, the Company and CIM LP shall cooperate regarding the filing of any Tax Returns with respect to the Taxes that are the subject of this Section 5.06(d).

(b) Notwithstanding Section 5.09(a), CIM LP and CIG may disclose Confidential Information to another Person (i) with the prior written consent of the AB Entities, (ii) to the extent required by any applicable Law, (iii) as required in connection with litigation, so long as the disclosing party uses commercially reasonable efforts to ensure that the party receiving such information treats the information in a confidential manner and in accordance with the terms hereof, (iv) to any Taxing Authority, (v) to its legal counsel, accountants, investment advisers, investment bankers, banks and their advisors who need to know such information for the purpose of assisting the disclosing party in their capacity as such so long as the disclosing party causes such persons to treat the information in a confidential manner and in accordance with the terms hereof (it being understood that the disclosing party shall be responsible for any breach of the terms of this Section 5.09 by such persons) or (vi) to the extent specifically contemplated by this Agreement or any Ancillary Agreement. Notwithstanding the foregoing, in the event that any Party intends to disclose information pursuant to clause (ii), (iii) or (iv) above, such Party shall, or shall cause its Representative to, to the extent reasonably practicable and permitted by applicable Law, (x) provide the AB Entities with reasonable written notice of such requirement sufficiently in advance of disclosing such information so that the AB Entities may seek a protective order or other remedy, (y) in the event that such protective order or other remedy is not obtained, furnish only that portion of such Confidential Information that is legally required to be provided and exercise commercially reasonable efforts to obtain assurances that confidential treatment will be afforded to such Confidential Information and (z) use commercially reasonable efforts to promptly furnish to the AB Entities a copy (in whatever form or medium) of such Confidential Information that it intends to furnish or has furnished.

(c) This Section 5.09 shall not apply to any information, knowledge or data that (i) at the time of disclosure is publicly available or becomes publicly available through no act or omission of CIM LP, CIG or their Affiliates or becomes available on a non-confidential basis from a source other than CIM LP, CIG or their Affiliates so long as such source is not reasonably known by CIM LP, CIG or their Affiliates to be bound by a confidentiality agreement with or other obligations of secrecy to the AB Entities and their Affiliates, or (ii) was independently developed by CIM LP, CIG or their Affiliates without the use of Confidential Information or was available to CIM LP, CIG or their Affiliates on a non-confidential basis prior to its disclosure.

Section 1.10 Termination of Affiliate Agreements; Use of Name. At or prior to the Closing, unless otherwise directed in writing by the AB Entities or expressly provided otherwise herein or as set forth on Section 5.10 of the CarVal Disclosure Schedules, the CarVal Entities and CarVal Parties shall terminate, or otherwise amend to exclude the CarVal Entities as a party thereto, all agreements and transactions to which the CarVal Entities, on the one hand, and CIM LP, CIG and any of their Affiliates (other than the CarVal Entities), on the other hand, is a party, other than this Agreement and any Ancillary Agreement. Promptly following the Closing, each of CIM LP and CIG shall, and shall cause the CarVal Carry Entities to, change their respective name to eliminate the use of the “CarVal” name, which the CarVal Parties acknowledge and agree shall be for the exclusive use of the CarVal Entities, the AB Entities and their Affiliates following the Closing.

Section 1.11 Certain Investment Commitments.

(a) Following the date of this Agreement, the AB Entities shall use commercially reasonable efforts to obtain, for the Company and effective upon the Closing, a commitment from Equitable Holdings, Inc. or its Subsidiaries to invest no less than the Required Amount in respect to current or future Funds or SMAs (including a direct SMA) upon such terms and conditions, including products, management fee, and carried interest terms, as shall be reasonably acceptable to both Equitable Holdings, Inc. and the Company (as determined by the

Managing Principals) and subject to customary conditions for a transaction of such nature (the “Affiliate Commitment”).

(b) If required pursuant to Section 5.11(b) of the CarVal Disclosure Schedules, then, between the date hereof and the Closing Date, the AB Entities shall enter into the Specified Transaction on the terms described in Section 5.11(b) of the CarVal Disclosure Schedules, subject to agreement by the counterparty thereto and conditioned upon consummation of the Closing and receipt of the requisite consent set forth in Section 5.11(b) of the CarVal Disclosure Schedules, and the Parties hereby agree to reasonably cooperate with respect to the structure and documentation regarding the Specified Transaction.

Section 1.12 Exclusivity. From the date of this Agreement until the earlier of the Closing or the termination of this Agreement in accordance with Article VII, no CarVal Party shall authorize or permit any of its Affiliates or Representatives to, directly or indirectly: (i) solicit, initiate, facilitate or continue inquiries regarding an Acquisition Proposal; (ii) enter into discussions or negotiations with, or provide any information to, any Person concerning a possible Acquisition Proposal; or (iii) enter into any agreements or other instruments (whether or not binding) regarding an Acquisition Proposal. The CarVal Parties shall (x) immediately cease and cause to be terminated, and shall cause their Affiliates and all of their and their Affiliates’ respective Representatives to immediately cease and cause to be terminated, all discussions or negotiations with any Persons conducted heretofore with respect to, or that could lead to, an Acquisition Proposal, (y) immediately terminate access by any Person (other than the AB Entities and their Representatives) to any confidential information relating to the CarVal Entities, and (z) within five (5) Business Days of the date hereof, request in writing that all prospective purchasers of the CarVal Entities to whom nonpublic information concerning the CarVal Entities has been distributed on or prior to the date hereof in connection with the process relating to the sale of the CarVal Entities (other than the AB Entities and their Representatives acting on their behalf) return such information to the CarVal Entities (or destroy such information) in accordance with, and enforce, the terms of the confidentiality agreements between CarVal Entities and such prospective purchasers. The CarVal Parties agree that the rights and remedies for noncompliance with this Section 5.12 shall include having such provision specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable harm.

Section 1.13 Non-Competitions; Non Solicitation.

(a) During the Restricted Period, CIM LP and CIG shall not, and shall cause their controlled Affiliates (including Persons that become controlled Affiliates of CIM LP and CIG after the date of this Agreement but, for the avoidance of doubt, excluding any Company Employee) (collectively, the “Restricted Persons”) not to, directly or indirectly, (i) engage in or assist others in engaging in the Restricted Business; (ii) have an interest in, manage, control, provide financing to, participate in (whether as an owner, operator, manager, consultant, officer, director, employee, investor, agent, Representative or otherwise), render services for or consult with any Person that engages directly or indirectly in the Restricted Business in any capacity, including as a partner, shareholder, member, employee, principal, agent, trustee, or consultant; or (iii) intentionally interfere in any material respect with the business relationships (whether formed prior to or after the date of this Agreement) between the CarVal Entities or the AB Entities, on the one hand, and Clients, counterparties, suppliers, and service providers of the CarVal Entities or the AB Entities, on the other hand. Notwithstanding the foregoing, the Restricted Persons may own, directly or indirectly, solely as a passive investment, securities of any Person traded on any national securities exchange if the Restricted Person is not a controlling Person of, or a member of a group which controls, such Person and do not individually, directly or indirectly, own five percent (5%) or more of any class of securities of such Person.

(b) During the Restricted Period, the Restricted Persons shall not, directly or indirectly, hire or solicit or enter into any business relationship with any employee of the CarVal Entities or the AB Entities or former employee of the CarVal Entities or the AB Entities or encourage any such employee or former employee to leave such employment or hire any such employee who has left such employment.

(c) During the Restricted Period, the Restricted Persons shall not, directly or indirectly, solicit or entice, or attempt to solicit or entice, any Clients, counterparties, suppliers, and service providers of the CarVal Entities or the AB Entities for purposes of diverting their business or services or relationships from the CarVal Entities or the AB Entities.

(d) CIM LP and CIG acknowledge that a breach or threatened breach of this Section 5.13 would give rise to irreparable harm to the AB Entities and CarVal Entities, for which monetary damages would not be an adequate remedy, and hereby agree that in the event of a breach or a threatened breach by CIM LP and CIG of any such obligations, the AB Entities and CarVal Entities shall, in addition to any and all other rights and remedies that may be available to them in respect of such breach, be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance, and any other relief that may be available from a court of competent jurisdiction (without any requirement to post bond).

(e) CIM LP and CIG acknowledge that the restrictions contained in this Section 5.13 are reasonable and necessary to protect the legitimate interests of the AB Entities and that the AB Entities would not have agreed to enter into this Agreement and consummate the Transactions without the restrictions contained in this Section 5.13. In the event that any covenant contained in this Section 5.13 should ever be adjudicated to exceed the time, geographic, product, or service, or other limitations permitted by applicable Law in any jurisdiction, then any court is expressly empowered and requested to reform such covenant, and such covenant shall be deemed reformed, in such jurisdiction to the maximum time, geographic, product, or service, or other limitations permitted by applicable Law. The covenants contained in this Section 5.13 and each provision hereof are severable and distinct covenants and provisions. The invalidity or unenforceability of any such covenant or provision as written shall not invalidate or render unenforceable the remaining covenants or provisions hereof, and any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such covenant or provision in any other jurisdiction.

(f) Notwithstanding anything to the contrary in this Section 5.13, CIM LP and CIG shall not be prohibited or restricted from entering into arrangements with employees of the Company and/or the AB Entities who are equity holders of CIM LP and/or CIG as of the Closing relating to the Performance Amounts contemplated by Section 2.09 and any allocation and payments thereof or otherwise relating to the Transaction so long as the purpose or effect of such arrangement is not to circumvent the restrictions in the Governing Documents of CIM LP and CIG on distribution of AB Transaction Units to Company Employees whose employment with or service to the CarVal Entities has been terminated.

Section 1.14 Notification of Certain Events. Each of the Parties shall promptly advise the other Parties of (i) any notice or other material communication from any Person alleging that the Consent of such Person is or may be required in connection with the Transactions; (ii) any notice or other material communication from any Governmental Authority in connection with the Transactions; (iii) any Action commenced or, to its knowledge, threatened against, relating to or involving or otherwise affecting the CarVal Entities or AB Entities, as the case may be, that, if pending on the date of this Agreement, would have been required to have been disclosed pursuant to any section of this Agreement or that relates to the consummation of the Transactions; (iv) any change, event or fact that has had or would be reasonably likely to have,

individually or in the aggregate, a Material Adverse Effect; or (v) any change, event or fact that it believes would or would be reasonably likely to cause or constitute a material breach of any of its representations, warranties or covenants contained in this Agreement; provided that no such notification shall affect the representations, warranties, covenants or agreements of the Parties (or remedies with respect thereto) or the conditions to the obligations of the Parties under this Agreement; provided, further, that a failure to comply with this Section 5.14 shall not constitute the failure of any condition set forth in Article VI to be satisfied unless the underlying change or event would independently result in the failure of a condition set forth in Article VI to be satisfied.

Section 1.15 Pre-Closing Amendments.

(a) Prior to the Closing, with effect as of and from the Closing, the CarVal Parties shall cause the applicable CarVal Entities to approve and adopt the Fund GP Amendments.

(b) From and after the Closing, so long as a Performance Acceleration Event has not occurred as provided in Section 2.09(e) (after giving effect to any dispute resolution pursuant to Section 2.09(f) with respect to such occurrence), the Governing Documents of CIM LP and CIG shall be substantially in the form attached as Exhibit J. CIM LP and CIG shall not permit any such Governing Documents to be amended, or any of the terms thereof waived, without the prior written approval of AB LP (such consent not to be unreasonably withheld, conditioned or delayed) to the extent that such amendment would (i) have an adverse effect on the CarVal Entities or any AB Entity or (ii) modify, amend or circumvent the restrictions in the Governing Documents of CIM LP and CIG on distribution of AB Transaction Units to Company Employees whose employment with or service to the CarVal Entities has been terminated.

Section 1.16 Residual Payment. As soon as practicable following January 1, 2023, the Company shall notify the AB Entities of the amount of the Residual Payment (or if the Residual Payment is zero) and, if the Residual Payment is greater than zero, shall deliver a notice to AB LP specifying the Residual Payment Funding Date (a "Residual Payment Funding Notice"). Promptly upon receipt of a Residual Payment Funding Notice, and in any event prior to Residual Payment Funding Date (if the Residual Payment is greater than zero), AB LP shall make a cash capital contribution to the Company equal to the Residual Payment, and the Company shall make the Residual Payment, in each case, as described in Section 2.03(b).

Section 1.17 Co-Invest Facility Agreement. Reasonably promptly following the date of this Agreement, the Company shall notify Wells Fargo Bank, National Association in writing of the Transactions pursuant Section 8.2 of the Co-Invest Facility Agreement, which notice shall request a waiver of any Event of Default (as defined in the Co-Invest Facility Agreement) that may arise as a result of the consummation of the Transactions. Following the delivery of such notice until the Closing Date, the Company shall use its commercially reasonable efforts to obtain such waiver prior to the Closing (but for the avoidance of doubt, the Closing shall not be conditioned on the receipt of any such waiver). The Company shall provide a copy of such notice to the AB Entities and, prior to the Closing, shall keep the AB Entities reasonably informed regarding the receipt of such requested waiver or any objection from Wells Fargo Bank, National Association to the Transactions or notification that the consummation of the Transactions would constitute an Event of Default under the Co-Invest Facility Agreement.

Section 1.18 Further Assurances. The Parties shall execute and deliver, or shall cause to be executed and delivered, such documents and other instruments and shall take, or shall cause to be taken, such further actions as may be reasonably required to carry out the provisions of this Agreement and give effect to the Transactions.

Article VI

CONDITIONS TO CLOSING

Section 1.01 Conditions Precedent to Obligations of Each Party. The obligations of each Party to consummate the Transactions are subject to the satisfaction, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by the Parties, in whole or in part, to the extent permitted by applicable Law):

(b) the waiting period (including any extensions thereof) under the HSR Act shall have expired (or early termination shall have been granted) and the other clearances, waivers, consents, authorizations and approvals required to be obtained in connection with the consummation of the Transactions from the Governmental Authorities that are set forth in Section 6.01(b) of the CarVal Disclosure Schedule (the "Other Required Regulatory Approvals") shall have been obtained and any applicable waiting period thereunder shall have expired or been terminated;

(b) the CarVal Entities shall have performed and complied in all material respects with all covenants required pursuant to the terms of this Agreement to be performed or complied with by them on or prior to the Closing Date;

(c) the AB Entities shall have received from the CarVal Entities a certificate, dated as of the Closing Date, to the effect that the conditions specified in Section 6.02(a) and Section 6.02(b) are satisfied;

In addition to the conditions set forth in Section 6.01, the obligations of the CarVal Entities to consummate the Transactions are subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by the CarVal Entities, in whole or in part, to the extent permitted by applicable Law):

(a) (i) the Fundamental AB Representations shall have been true and correct as of the date hereof and shall be true and correct as of the Closing Date as though made at and as of the Closing Date (except for any such representations and warranties that are specifically made as of a particular date, in which case such representation and warranty shall be true and correct as of such particular date) and (ii) all other representations and warranties of AB Entities set forth in Article IV, shall have been true and correct as of the date hereof and shall be true and correct as of the Closing Date as though made at and as of the Closing Date (except for any such representations and warranties that are specifically made as of a particular date, in which case such representation and warranty shall be true and correct as of such particular date), in each case, without giving effect to qualifications based on materiality, Material Adverse Effect or similar phrases in such representations and warranties, except where the failure of such representations and warranties referenced in this clause (ii) to be so true and correct would not, individually or in the aggregate, reasonably be expected to prevent, materially delay or materially impair the consummation of the Transactions;

(b) the AB Entities shall have performed and complied in all material respects with all covenants required pursuant to the terms of this Agreement to be performed or complied with by the AB Entities on or prior to the Closing Date;

(c) Applicable AB Entity shall have made the Initial AB Contribution immediately prior to the Closing;

(d) AB LP or its designee shall have made the Existing Debt Obligations Contribution in accordance with Section 2.03(a);

Section 1.04 Frustration of Closing Conditions. A Party may not rely on the failure of any condition set forth in Section 6.01, Section 6.02 or Section 6.03, as the case may be, to be satisfied if such failure was primarily due to the failure of such Party to perform any of its obligations under this Agreement.

Article VII

TERMINATION

Section 1.01 Termination of Agreement. Subject to Section 9.04, this Agreement may be terminated at any time prior to the Effective Time as follows:

(a) by the CarVal Parties or the AB Entities on or after the Outside Date if the Closing shall not have occurred by 5:00 p.m. (Eastern U.S. time) on the Outside Date; provided that neither the CarVal Parties nor the AB Entities may terminate this Agreement pursuant to this Section 7.01(a) if any of the CarVal Parties or AB Entities, as applicable, is in material breach of any of its obligations hereunder and such material breach causes, or results in, either (i) the failure to satisfy the conditions to the obligations of the terminating Party to consummate the Transactions set forth in Article VI prior to the Outside Date or (ii) the failure of the Closing to have occurred prior to the Outside Date;

(b) by mutual written consent of the Parties;

(c) by the CarVal Parties or the AB Entities if an injunction, judgment or ruling enacted, promulgated, issued, entered, amended or enforced by any Governmental Authority shall be in effect permanently enjoining, restraining or otherwise making illegal or prohibiting consummation of the Transactions and shall have become final and nonappealable; provided that neither the CarVal Entities nor the AB Entities may terminate this Agreement pursuant to this Section 7.01(c) if any of the CarVal Parties or AB Entities, as applicable, is in material breach of any of its obligations hereunder and such material breach is the primary cause of such restraint;

(d) by the AB Entities if (i) none of the AB Entities is in material breach of any of its obligations hereunder that would give rise to a failure of any of the conditions specified in Article VI and (ii) any of the CarVal Parties is in material breach of any of its representations, warranties, covenants, agreements or obligations hereunder that renders or would render the conditions set forth in Section 6.02 incapable of being satisfied and such breach (if curable) has not been cured by the CarVal Parties by the earlier of (x) thirty (30) days after written notice of such breach to the CarVal Parties or (y) the Outside Date; or

(e) by the CarVal Parties if (i) none of the CarVal Parties is in material breach of any of its obligations hereunder that would give rise to a failure of any of the conditions specified in Article VI and (ii) any AB Entity is in material breach of any of its representations, warranties, covenants, agreements or obligations hereunder that renders or would render the conditions set forth in Section 6.03 incapable of being satisfied and such breach (if curable) has not been cured by the AB Entities by the earlier of (x) thirty (30) days after written notice of such breach to the AB Entities or (y) the Outside Date.

Section 1.02 Procedure upon Termination. In the event of termination and abandonment by the AB Entities or the CarVal Parties, or both, pursuant to Section 7.01, written

notice thereof shall forthwith be given to the other Parties, and this Agreement shall terminate, and the Transactions shall be abandoned, without further action by any Party.

Section 1.03 Effect of Termination. In the event that this Agreement is validly terminated in accordance with Section 7.01, then each of the Parties shall be relieved of its duties and obligations arising under this Agreement after such termination and such termination shall be without Liability to any of the Parties; provided, however, that, subject to the terms, conditions and limitations of this Section 7.03, (a) no such termination shall relieve any Party from Liability for any Willful and Material Breach (it being acknowledged and agreed by the Parties that the failure to close the Transactions by any Party that was otherwise obligated to do so under the terms of this Agreement shall be deemed to be a Willful and Material Breach) or fraud by that Party in connection with the Transactions prior to such termination and (b) the provisions of this Section 7.03, Section 5.04, Section 5.09, Article I and Article IX shall remain in full force and effect and survive any termination of this Agreement in accordance with its terms.

Article VIII

INDEMNIFICATION

Section 1.01 Survival. The representations and warranties of the Parties contained in or made pursuant to this Agreement shall survive in full force and effect until the date that is eighteen (18) months after the Closing Date, at which time they shall terminate and no claims shall be made for indemnification with respect to a breach of such representations and warranties; provided, however, that the Fundamental CarVal Representations and the Fundamental AB Representations and any right of indemnification with respect to a breach thereof shall survive in full force and effect until the date that is sixty (60) days following the expiration of the applicable statute of limitations (taking into account any tolling periods and other extensions) with respect to the subject matter of such representations and warranties or such other indemnification obligations (as the case may be), at which time they shall terminate. The covenants and agreements of the Parties contained in or made pursuant to this Agreement (i) to the extent contemplating performance prior to the Closing, shall terminate as of the Closing and (ii) to the extent contemplating performance following the Closing, shall survive indefinitely until fully performed. Notwithstanding the foregoing, any claims asserted in good faith with reasonable specificity (to the extent known at such time) and in writing by notice (i) from the AB Indemnified Party to CIM LP, or (ii) from CIM LP to the AB Entities prior to the expiration date of the applicable survival period shall not thereafter be barred by the expiration of the relevant representation or warranty and such claims shall survive until finally resolved.

Section 1.02 Indemnification of AB Indemnified Parties.

(a) From and after the Closing, and subject to the terms of this Agreement, CIM LP shall indemnify and hold harmless the AB Entities and their Affiliates and their respective Representatives (collectively, the “AB Indemnified Parties”) against, and reimburse any AB Indemnified Party for, all Losses that such AB Indemnified Party may suffer or incur, or become subject to, as a result of:

(i) prior to their expiration in accordance with Section 8.01, the breach of any representations or warranties made by the CarVal Entities or CarVal Parties in this Agreement as of the date such representation or warranty was made (or was deemed made), it being understood and agreed that for purposes of the calculation of Losses arising out of or resulting from any such breach described in this Section 8.02(a)(i) and determining whether a breach of any representations or warranties made by the CarVal Entities or CarVal Parties in this Agreement has occurred in the first instance shall be

determined without giving effect to any qualifications in the text of any such representation or warranty relating to materiality, Material Adverse Effect or similar phrases (provided that the such qualifications will be given effect for purposes of the representations and warranties in Section 3.06(a), Section 3.06(b), Section 3.06(d), Section 3.08, Section 3.10(i) (last sentence only), Section 3.11, Section 3.12(a)(vi), Section 3.12(a)(xi), and Section 3.12(a)(xii)).

(ii) any breach or failure by a CarVal Entity or CarVal Party to perform any of its covenants or agreements contained in this Agreement;

(iii) any fraud by or on behalf of any CarVal Entity or CarVal Party in connection with the Transactions; or

(iv) any Indemnified Taxes.

(b) Notwithstanding anything in this Agreement to the contrary:

(i) CIM LP shall not be required to indemnify or hold harmless any AB Indemnified Party against, or reimburse any AB Indemnified Party for, any Losses pursuant to Section 8.02(a)(i) (other than with respect to a breach of the Fundamental CarVal Representations) (A) with respect to any claim unless such claim (together with all other claims, if any, arising out of any related or any substantially similar facts, events and circumstances) involves Losses in excess of \$50,000 (nor shall such item be applied to or considered for purposes of calculating the aggregate amount of the AB Indemnified Parties' Losses for purposes of clause (B) below); and (B) unless the aggregate amount of the AB Indemnified Parties' Losses exceeds the amount that is one percent (1%) of the Base Value (the "Deductible") (and if such amount is exceeded, then CIM LP shall be obligated for the aggregate Losses of the AB Indemnified Parties in excess of such amount).

(ii) The maximum aggregate amount for which CIM LP shall be liable under Section 8.02(a)(i) (other than in respect of a breach of a Fundamental CarVal Representation) shall be an amount equal to ten percent (10%) of the Base Value (the "Cap").

(iii) The maximum aggregate amount for which the CarVal Parties shall be liable under this Agreement (other than in respect of a claim for fraud by or on behalf of any CarVal Entity or CarVal Party in connection with the Transactions) shall be an amount equal to the Base Value plus the sum of all Performance Amounts determined pursuant to Section 2.09 as of the date of such claim.

(iv) In the event that an AB Indemnified Party actually receives any insurance proceeds or other third party recoveries, whether before or subsequent to receipt by such AB Indemnified Party of any indemnification payment from CIM LP under this Section 8.02 in respect of the claims to which such insurance proceeds or third party recoveries relate, then the amount due hereunder shall be reduced dollar for dollar (net of the cost of recovery of such amount, including increases in insurance premiums to the extent related to such claims) and, if received subsequent to receipt by such AB Indemnified Party of payment from CIM LP, such AB Indemnified Party shall promptly make an appropriate refund (net of the cost of recovery of such amount, including increases in insurance premiums to the extent related to such claims and, in any event, in an amount not to exceed the amount of the applicable indemnification payments against which such refunds are provided) to CIM LP of all or the relevant portion of such

indemnification payment previously received by such AB Indemnified Party from CIM LP under this Section 8.02.

(c) Any indemnification by CIM LP of an AB Indemnified Party pursuant to this Section 8.02 shall be satisfied (as determined in the sole discretion of CIM LP; provided that if CIM LP does not satisfy such indemnification as and when due hereunder, such determination shall be in the sole discretion of the applicable AB Entity) by (i) the AB Entities redeeming, for no consideration thereof, an amount of AB Transaction Units with an aggregate value equal to the amount of such indemnification obligation, based on the VWAP as of the date immediately preceding such redemption, or (ii) the payment in cash in immediately available and unencumbered funds in an amount equal to such indemnification.

(d) CIM LP covenants and agrees to retain (and shall not distribute to its equityholders) an aggregate amount of the Long-Term AB Units received pursuant to Section 2.02(c) having a value (calculated based on the VWAP as of the trading day immediately prior to issuance of the Long-Term AB Units) equal to the Cap until the eighteen month anniversary of the Closing Date (provided that in the event of any pending claims by an AB Entity under this Article VIII as of such anniversary, CIM LP shall retain (and shall not distribute to its equityholders) an amount of cash or cash equivalents or AB Transaction Units having a value sufficient to make, if and when due and payable, any payment that could reasonably be expected to be made by CIM LP pursuant to such claims, pending resolution of such claims).

(e) With respect to amounts owed to any AB Indemnified Party pursuant to this Section 8.02, without limiting Section 8.02(c), the AB Entities shall have the right (upon written notice to CIM LP and the Managing Principals) to satisfy such amounts, in whole or in part, through a set-off (x) against any amounts or AB Units due to CIM LP and CIG pursuant to Section 2.02(c), Section 2.08 or Section 2.09, with the value of the AB Units for this purpose being based on VWAP as of the date immediately preceding such set-off or (y) any amounts payable to Company Service Providers (as defined in the Framework Agreement) from the Annual Bonus Pool (as defined in the Framework Agreement) or the Employee Payment Pools; provided that any set-off made pursuant to this clause (y) shall be made only in the event that such set-off cannot be made pursuant to clause (x) above.

Section 1.03 Indemnification of the CarVal Indemnified Parties.

(a) From and after the Closing, and subject to the terms of this Agreement, the AB Entities shall indemnify and hold harmless CIM LP and its Affiliates and their respective Representatives (collectively, the "CarVal Indemnified Parties") against, and reimburse any CarVal Indemnified Party for, all Losses that such CarVal Indemnified Party may suffer or incur, or become subject to, as a result of:

(i) prior to their expiration in accordance with Section 8.01, the breach of any representations or warranties made by an AB Entity in this Agreement, it being understood and agreed that calculations of Losses arising out of or resulting from any such breach described in this Section 8.03(a)(i) and whether a breach of any representations or warranties made by the AB Entities in this Agreement has occurred in the first instance shall be determined without giving effect to any qualifications in the text of any such representation or warranty relating to materiality, Material Adverse Effect or similar phrases (provided that the such qualifications will be given effect for purposes of the representations and warranties in Section 4.09);

(ii) any breach or failure by an AB Entity to perform any of its covenants or agreements contained in this Agreement required to be performed by such AB Entity at or prior to the Closing; or

(iii) any fraud by or on behalf of an AB Entity in connection with the Transactions; or

(iv) any Post-Closing Taxes.

(b) Notwithstanding anything in this Agreement to the contrary:

(i) The AB Entities shall not be required to indemnify or hold harmless any CarVal Indemnified Party against, or reimburse any CarVal Indemnified Party for, any Losses pursuant to Section 8.02(b)(i) (other than with respect to a breach of the Fundamental AB Representations) (A) with respect to any claim unless such claim (together with all other claims, if any, arising out of any related or any substantially similar facts, events and circumstances) involves Losses in excess of \$50,000 (nor shall such item be applied to or considered for purposes of calculating the aggregate amount of the CarVal Indemnified Parties' Losses for purposes of clause (B) below); and (B) unless the aggregate amount of the CarVal Indemnified Parties' Losses exceeds the Deductible (and if such amount is exceeded, then the AB Entities shall be obligated for the aggregate Losses of the CarVal Indemnified Parties in excess of such amount).

(ii) The maximum aggregate amount for which the AB Entities shall be liable under Section 8.02(a)(i) (other than in respect of a breach of a Fundamental AB Representation) shall be an amount equal to the Cap.

(iii) The maximum aggregate amount for which the AB Entities shall be liable under this Agreement (other than in respect of a claim for fraud by or on behalf of an AB Entity in connection with the Transactions) shall be an amount equal to the Base Value plus the sum of all Performance Amounts determined pursuant to Section 2.09 as of the date of such claim.

(iv) In the event that a CarVal Indemnified Party actually receives any insurance proceeds or other third party recoveries, whether before or subsequent to receipt by such CarVal Indemnified Party of any indemnification payment from an AB Entity under this Section 8.03 in respect of the claims to which such insurance proceeds or third party recoveries relate, then the amount due hereunder shall be reduced dollar for dollar (net of the cost of recovery of such amount, including increases in insurance premiums to the extent related to such claims) and, if received subsequent to receipt by such CarVal Indemnified Party of payment from an AB Entity, such CarVal Indemnified Party shall promptly make an appropriate refund (net of the cost of recovery of such amount, including increases in insurance premiums to the extent related to such claims and, in any event, in an amount not to exceed the amount of the applicable indemnification payments against which such refunds are provided) to such AB Entity of all or the relevant portion of such indemnification payment previously received by such CarVal Indemnified Party from such AB Entity under this Section 8.03.

(c) Subject to Section 2.12, any indemnification of a CarVal Indemnified Party pursuant to this Section 8.03 shall be satisfied (as determined in the sole discretion of the AB Entities) by (i) the AB Holding issuing to CIM LP and CIG an amount of Equity Interests in AB Holding, identical in all respects to the Initial Short-Term AB Units, with an aggregate value equal to the amount of such reimbursement (the "Indemnity AB Units"), based on the VWAP as

of the date immediately preceding such issuance, or (ii) the payment in cash by AB LP in immediately available and unencumbered funds in an amount equal to such indemnification.

Section 1.04 Third-Party Claim Procedures

(a) In the event that any claim or demand for which a person required to provide indemnification under this Article VIII (the “Indemnifying Party”) may have Liability to any Person entitled to indemnification under this Article VIII (the “Indemnified Party”) is asserted against or sought to be collected from any Indemnified Party by a third party (a “Third-Party Claim”), such Indemnified Party shall promptly (but no later than thirty (30) days) notify the Indemnifying Party in writing of such Third-Party Claim, the amount or the estimated amount of damages sought thereunder to the extent then reasonably ascertainable (which estimate shall not be conclusive of the final amount of such Third-Party Claim), any other remedy sought thereunder and, to the extent practicable, any other then known material details pertaining thereto (a “Claim Notice”); provided, however, that the failure to so give a Claim Notice in accordance with this Section 8.04 shall not affect the rights of an AB Indemnified Party hereunder except, and only to the extent that, any such failure has an adverse and prejudicial effect on the rights available to the Indemnifying Party with respect to such Third-Party Claim. The Indemnifying Party shall have thirty (30) days (or such lesser number of days set forth in the Claim Notice as may be required by court proceeding in the event of a litigated matter) after receipt of the Claim Notice (the “Notice Period”) to notify the Indemnified Party that it desires to defend the Indemnified Party against such Third-Party Claim.

(b) In the event that the Indemnifying Party notifies the Indemnified Party within the Notice Period that it desires to defend the Indemnified Party against a Third-Party Claim, subject to this Section 8.04(b), the Indemnified Party shall have the right to defend the Indemnified Party by appropriate proceedings and shall have the power to direct and control such defense at its sole expense and with its own counsel. Once the Indemnifying Party has duly assumed the defense of a Third-Party Claim, the AB Indemnified Party shall have the right, but not the obligation, to participate in any such defense and to employ separate counsel of its choosing. The Indemnified Party may participate in any such defense, which participation shall be at its own expense unless (i) the Indemnifying Party and the Indemnified Party are named parties to the proceedings and counsel for the Indemnified Party shall have reasonably concluded that representation of both parties by the same counsel would be inadvisable due to actual differing interests between them or if one or more legal defenses or counterclaims available to such Indemnified Party or to other Indemnified Parties which are different from or additional to those available to the Indemnifying Party, (ii) the Indemnified Party assumes the defense of a Third-Party Claim after the Indemnifying Party has failed to actively and diligently pursue a Third-Party Claim it has assumed, as provided in the first sentence of Section 8.04(d), or (iii) if requested by the Indemnifying Party to participate in the defense of such Third-Party Claim, in each case of clauses (i), (ii) and (iii), the Indemnifying Party shall be liable for the reasonable fees and expenses of one separate counsel (in addition to any necessary local counsel) to the extent such Third-Party Claim is subject to indemnification or reimbursement under this Article VIII.

(c) Notwithstanding Section 8.04(a), if a Third-Party Claim (i) seeks relief that if granted would result in the imposition of a consent order, injunction or decree that would restrict the future activity or conduct of the Indemnified Party or any of its Affiliates, (ii) alleges, or seeks a finding or admission of, a violation of Law by the Indemnified Party or any of its Affiliates, (iii) would result in a finding or admission that would have an adverse effect on other claims made or threatened against the Indemnified Party or any of its Affiliates, or (iv) would materially and adversely affect the ongoing business (including any dispute with any material customer, supplier or employee) of the Indemnified Party or any of its Affiliates (any such claim, an “Indemnified Party Defense Matter”) then, in each case of clauses (i)-(iv), the Indemnified

Party alone shall be entitled to contest, defend, compromise and settle such Third-Party Claim (but, with respect to any such settlement, subject to obtaining the consent of the Indemnifying Party for any matters of the type described in clauses (ii) through (iv) below, read by replacing “Indemnified Party” with “Indemnifying Party” and vice versa). If the Indemnifying Party elects to settle, compromise or offer to settle or compromise any Third-Party Claim or consent to entry of any judgment or other Order resolving such Third-Party Claim in whole or in part (each, a “Settlement”), the Indemnifying Party shall notify the Indemnified Parties of its intention to do so and the Indemnified Party shall reasonably cooperate with the Indemnifying Party with respect to such Settlement; provided that the prior written consent of the Indemnified Party shall be required (in the sole discretion of the Indemnified Party) if such Settlement (i) is or relates to an Indemnified Party Defense Matter, (ii) does not include from the claimant and the Indemnifying Party an unqualified release of the Indemnified Parties from all Liability in respect of such Third-Party Claim, (iii) does not provide solely for the payment of money which shall be paid solely by the Indemnifying Party and imposes no other Liabilities or obligations of any kind upon the Indemnified Party, or (iv) includes any admission of any Liability or wrongdoing (including any violation of Law or Order) by any Indemnified Party. The Indemnified Party shall have a reasonable period to review and comment upon drafts of any documentation relating to any Settlement that the Indemnifying Party proposed to enter into, and the Indemnifying Party shall accept any such comments if reasonable.

(d) If the Indemnifying Party (i) elects not to defend the Indemnified Party against a Third-Party Claim, whether by not giving the Indemnified Party timely notice of its desire to so defend or otherwise, (ii) is not entitled to defend the Third-Party Claim as provided in Section 8.04(c), or (iii) after assuming the defense of a Third-Party Claim, fails to take reasonable steps necessary to defend actively and diligently such Third-Party Claim then, in each case, the Indemnified Party shall have the right, but not the obligation, to assume the defense and resolution of such Third-Party Claim, and shall reasonably consult with the Indemnifying Party regarding the strategy for defense of such claim, it being understood that the Indemnified Party’s right to indemnification for a Third-Party Claim shall not be adversely affected by assuming the defense of such Third-Party Claim. Neither the Indemnifying Party nor the Indemnified Party shall have any Liability with respect to a Third-Party Claim Settlement entered into without its consent for which its consent was required under Section 8.04(c), which consent shall not be unreasonably withheld, conditioned or delayed.

(e) The Indemnified Party and the Indemnifying Party shall reasonably cooperate in order to allow for the proper and adequate defense of a Third-Party Claim, including by providing reasonable access to each other’s relevant business records and other documents and employees during normal business hours, it being understood that the costs and expenses of the Indemnified Party relating thereto shall be considered Losses. The AB Indemnified Party and CIM LP shall keep each other reasonably informed with respect to the status of such Third-Party Claim.

(f) The Indemnified Party and the Indemnifying Party shall use their reasonable efforts to avoid production of Confidential Information (consistent with applicable Law), and to cause all communications among employees, counsel and others representing any party to a Third-Party Claim to be made so as to preserve any applicable attorney-client or work-product privileges.

(g) Once a Loss is agreed to by the Indemnifying Party or finally adjudicated to be payable pursuant to this Section 8.04, the Indemnifying Party shall satisfy its indemnification obligations within fifteen (15) Business Days of such agreement or final, non-appealable adjudication by payment of the amount due under this Article VIII.

Section 1.05 Exclusive Remedies. Except as otherwise expressly set forth in this Agreement and the remedies provided in Section 2.08 and Section 2.09, following the Closing, the indemnification provisions of this Article VIII shall be the sole and exclusive remedies of any Party for any Losses (including any Losses from claims for breach of contract, warranty, tortious conduct (including negligence) or otherwise and whether predicated on common law, statute, strict liability, or otherwise) that it may at any time suffer or incur, or become subject to, as a result of, or in connection with any breach of or inaccuracy with respect to any representation or warranty given by a Party in this Agreement. Nothing in this Section 8.05 shall limit any Person's right to seek and obtain any equitable relief to which any Person shall be entitled or to seek any remedy on account of any Party's fraud in connection with the Transactions or such Party's criminal misconduct in connection with the Transactions.

Section 1.06 Tax Treatment of Payments. The Parties agree to treat for income Tax purposes any indemnity effectuated pursuant to this Agreement as adjustments to the Closing Value and either an additional issuance or forfeiture of AB Units, to the maximum extent permitted by Law. Except to the extent required by applicable Law, the Parties agree not to take any position inconsistent with such treatment on any Tax Return.

Article IX

MISCELLANEOUS

Section 1.01 Entire Agreement; Amendments and Waivers. This Agreement and the Ancillary Agreements, together with the Confidentiality Agreement, represent the entire understanding and agreement, and supersede all other prior agreements and understandings, both written and oral, among the Parties and their Affiliates, or any of them, with respect to the subject matter hereof. This Agreement may be amended, supplemented or changed only by a written instrument signed by each of the Parties. Each provision in this Agreement may be waived only by a written instrument making specific reference to this Agreement signed by the Party against whom enforcement of any such provision so waived is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any Party, shall be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Section 1.02 Binding Effect; Third-Party Beneficiaries; Assignment.

(a) This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. Nothing in this Agreement shall create or be deemed to create any third-party beneficiary rights in any Person that is not a Party, except that 8.02 shall be for the benefit of, and enforceable by, the Indemnified Parties and Section 9.10 shall be for the benefit of, and enforceable by, the Nonparty Affiliates of the Parties.

(b) No assignment of this Agreement or of any rights or obligations hereunder may be made, directly or indirectly (by operation of law or otherwise), by any Party without the prior written consent of the other Parties. Any purported assignment not permitted under this Section 9.02(b) shall be null and void.

Section 1.03 Governing Law; Jurisdiction.

(a) This Agreement, and all claims or causes of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or relating to any representation or warranty made in or in connection with this Agreement) shall be governed by and construed in accordance with the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws.

(b) Subject to Section 2.09(f), each of the Parties hereby irrevocably and unconditionally (i) submits, for itself and its property, to the exclusive jurisdiction of the Delaware Court of Chancery (or, only if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, the Superior Court of the State of Delaware (and the Complex Commercial Litigation Division thereof if such division has jurisdiction over the particular matter), or if the Superior Court of the State of Delaware does not have jurisdiction, any federal or state court of the United States of America sitting in the State of Delaware) (“Delaware Courts”), and any appellate court from any decision thereof, in any Action based upon, arising out of or relating to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or relating to any representation or warranty made in or in connection with this Agreement), or for recognition or enforcement of any judgment, and agrees that all claims in respect of any such Action shall be heard and determined in the Delaware Courts, (ii) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any Action based upon, arising out of or relating to this Agreement or the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of or relating to any representation or warranty made in or in connection with this Agreement) in the Delaware Courts, (iii) waives, to the fullest extent permitted by Law, the defense of an inconvenient forum to the maintenance of such Action in any such court and (iv) agrees that a final judgment in any such Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each of the Parties agrees that service of process, summons, notice or document by registered mail addressed to it at the applicable address set forth in Section 9.07 shall be effective service of process for any Action brought in any such court.

Section 1.04 Specific Enforcement. Subject to Section 2.09(f), the Parties agree that irreparable damage for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if the Parties fail to take any action required of them hereunder to consummate this Agreement, subject to the terms and conditions of this Agreement. The Parties acknowledge and agree that, subject to Section 2.09(f), (a) the Parties shall be entitled to an injunction or injunctions, specific performance or other equitable relief to (i) solely prior to the Outside Date, to cause the Transactions to be consummated on the terms and subject to the conditions set forth in this Agreement or (ii) otherwise prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 9.03(b) without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of the Transactions and without that right, the Parties would not have entered into this Agreement. Subject to Section 2.09(f), the Parties agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at law. The Parties acknowledge and agree that any Party seeking an

injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 9.04 shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 1.05 Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE IT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION THAT MAY DIRECTLY OR INDIRECTLY BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND ANY OF THE ANCILLARY AGREEMENTS IN CONNECTION HERewith OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVER, (C) IT MAKES SUCH WAIVER VOLUNTARILY AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 9.05.

Section 1.06 Remedies. Except as set forth in Section 2.09(f) and Section 8.05, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby or by law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise at any time of any other remedy, except to the extent expressly limited hereby.

Section 1.07 Notices. All notices and other communications under this Agreement shall be in writing and shall be deemed given (a) when delivered personally by hand (with written confirmation of receipt by other than automatic means, whether electronic or otherwise), (b) when sent by email (unless an automatic response has been received indicating that the recipient did not receive such email) or (c) one (1) Business Day following the day sent by an internationally recognized overnight courier (with written confirmation of receipt), in each case, at the following addresses and email addresses (or to such other address or email address as a Party may have specified by notice given to the other Party pursuant to this provision):

Any Party from time to time may change its address or other information for the purpose of notices to that Party by giving notice, in accordance with this Section 9.07, specifying such change to the other Parties.

Section 1.08 Severability. If any condition, term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any Law or public policy, all other conditions, terms or provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the Transactions are consummated as originally contemplated to the greatest extent possible.

Section 1.09 Expenses. Except as otherwise provided in this Agreement, each Party shall bear its own expenses incurred in connection with the negotiation, execution and performance of this Agreement, each Ancillary Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the Transactions.

Section 1.10 Non-Recourse. Except in the case of fraud with respect to the Transactions, all Actions, Liabilities or causes of action (whether in contract or in tort, in law or in equity or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with or relate in any manner to this Agreement, or the negotiation, execution or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made against only (and such representations and warranties are those solely of) the Persons that are expressly identified as Parties to this Agreement (the "Contracting Parties"). Except in the case of fraud with respect to the Transactions, no Person who is not a Contracting Party, including any current, former or future director, officer, employee, consultant, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, Representative or assignee of, and any financial advisor or lender to, any Contracting Party, or any current, former or future director, officer, employee, consultant, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney, Representative or assignee of, and any financial advisor or lender to, any of the foregoing (collectively, the "Nonparty Affiliates"), shall have any Liability (whether in contract or in tort,

in law or in equity, or granted by statute) for any claims, causes of action or Liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or its negotiation, execution, performance or breach, and, to the maximum extent permitted by Law, except in the case of fraud, each Contracting Party hereby waives and releases all such Liabilities, claims, causes of action and obligations under this Agreement against any such Nonparty Affiliates. Without limiting the foregoing, to the maximum extent permitted by Law, (a) other than in the case of fraud with respect to the Transactions, each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose Liability of a Contracting Party on any Nonparty Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization or otherwise and (b) each Contracting Party disclaims any reliance upon any Nonparty Affiliates with respect to the performance of this Agreement or any representation or warranty made in, in connection with, or as an inducement to this Agreement.

Section 1.11 Counterparts. This Agreement may be executed in any number of counterparts (including by means of email in .pdf format), each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first written above.
